[11/5/20, 12:35:57 PM] Tommy H. Kato: Bradly take a look at the contract and if it looks good maybe let's have the lawyers read it.

[11/6/20, 11:36:00 AM] Ms Li: Hi, any updates?

[11/7/20, 7:06:42 AM] Ms Li: Just received this offer from a different source. They offer \$9.9 usd per box(100 pieces) for existing stocks includes air shipping to anywhere in the US and Europe. And for cranberry the price is \$28 usd per box (300 pieces).

[11/7/20, 7:07:18 AM] Ms Li: <attached: 00000010-PHOTO-2020-11-07-07-18.jpg>

[11/7/20, 9:05:38 AM] Tommy H. Kato: Sounds to good to be true

[11/7/20, 9:06:47 AM] Ms Li: Both offer that I presented here are handled by very reliable groups in China.

[11/7/20, 9:07:44 AM] Ms Li: We can give a small trial order to test the water.

[11/7/20, 9:15:19 AM] Tommy H. Kato: Ok let's do it

[11/7/20, 9:15:38 AM] Ms Li: And I will send my own people to follow up

[11/7/20, 9:16:16 AM] Ms Li: Which brand, what quantity?

[11/7/20, 10:23:41 AM] Tommy H. Kato: I am not sure. But Alex cost is \$3.50 per box of 100 for air freight.

So it does not sound real

[11/7/20, 10:28:02 AM] Ms Li: We say in Chinese "dogs have dog route while cats have their own"

[11/7/20, 10:30:11 AM] Tommy H. Kato: 🤔

[11/7/20, 7:17:34 PM] Ms Li: Where does the first load of gloves go to (destination)? What brand do you want?

[11/7/20, 7:27:59 PM] Ms Li: What brand do you want?

[11/7/20, 7:29:07 PM] Tommy H. Kato: The best

[11/7/20, 7:29:33 PM] Ms Li: Which is? Do you want Intco?

[11/7/20, 7:55:08 PM] Tommy H. Kato: Ok

[11/9/20, 3:43:39 PM] Ms Li: Hi, we will get the draft contract later this evening for Cranberry gloves. The contract will be for 5 million boxes (300 pieces per box) in stock. Ready for shipping. As we discussed, the trial shipment will be 250,000 boxes by air. And the rest of the 5 million boxes will be shipped by sea. We will deal with the lawyer for Cranberry directly. So we will put the money into the lawyer's account as an escrow account. Once we get the BL, the fund will be released to the seller. The price is \$19.80 FOB Malaysia.

[11/9/20, 3:47:55 PM] Ms Li: So let's get ready for the draft contract later this evening, if everything is agreed, let's arrange to get the 250,000 shipped asap. I feel very confident with my dear friend for about 30 years involved. But still we only pay for each shipment. Even to the escrow account.

[11/9/20, 4:21:59 PM] Tommy H. Kato: Let's do 100k boxes first.

[11/9/20, 4:22:26 PM] Ms Li: Sure.

[11/12/20, 6:51:10 PM] Ms Li: Thank you.

[11/12/20, 6:51:38 PM] Ms Li: And my agreement, please.

[11/12/20, 6:51:55 PM] Brad: Ms Li, I have your contract for 2%. However, as Thomas mentioned, we have already been approached from another long term relationship with the same opportunity with Run the World. We can not give you an exclusive agreement for this client

[11/12/20, 6:52:30 PM] Brad: We will honor our agreement with you and continue to buy gloves you secure.

[11/12/20, 6:54:01 PM] Ms Li: You meant the one who gave you the fake picture?

[11/12/20, 6:55:31 PM] Brad: As evidence in the photo we sent earlier, we have

already engaged Run the World with our other colleague. We are honorable and will buy from you, however we will not give you exclusive with this opportunity as it was already presented to us.

Our other colleague gave us a contract too. Looks similar to yours.

[11/12/20, 6:57:13 PM] Brad: Please redraft your agreement removing the exclusive nature related to run the world. In good faith we continue to buy from you and encourage you to find other opportunities for us.

[11/12/20, 6:58:38 PM] Brad: Be mindful, I bring this up to be transparent. We operate with complete transparency and honesty.

[11/12/20, 8:47:49 PM] Ms Li: The seller insists that we pay 10% deposit and then he will let us view the goods in their warehouse. Right now, because of the hurricane there is no way there can go to the warehouse making video. So I suggest we either wait until we see the video then pay 10% for 50,000 boxes, and view the goods or reduce the deposit amount like \$10,000 or even \$5000 as the other offer you got, pay it and view the goods, so we can limit the front payment before we verify the goods.

[11/12/20, 8:48:00 PM] Ms Li: Please advise me.

[11/12/20, 8:48:42 PM] Brad: Sounding more like a scam.

[11/12/20, 8:49:09 PM] Brad: Need proof

[11/12/20, 8:50:01 PM] Brad: Not going to send \$100k plus in the hopes to see something

[11/12/20, 8:53:33 PM] Ms Li: It is true that there is hurricane. And no seller would like to expose their warehouse to just anybody for security reasons. It is understandable that by paying deposit to show this is a serious buyer.

[11/12/20, 8:55:37 PM] Ms Li: 10% worth of 50,000 boxes gloves is \$40,500.

[11/12/20, 8:57:47 PM] Ms Li: And I will try to talk to them to reduce the amount, as long as we show our seriousness.

[11/12/20, 9:26:06 PM] Ms Li: Any suggestions, please?

[11/12/20, 9:27:50 PM] Brad: Ms Li, we are a serious buyer. We don't like the games. Have the client look us up with the FDA and at our website, [www.rockfintek.com](http://www.rockfintek.com)

[11/12/20, 9:28:47 PM] Brad: Have them reduce deposit to something reasonable. We are a large volume buyer and will work long term with the right supplier....

[11/12/20, 9:29:38 PM] Ms Li: Let me talk to the seller.

[11/12/20, 9:37:52 PM] Ms Li: Ok. They agreed we pay \$5000 deposit as the other person present to you. And I also told him I will give him an order of 30 million boxes gloves (which is true, I do have another buyer with 30 million boxes of gloves.)

[11/12/20, 9:45:12 PM] Brad: Ok. How do we pay the deposit? When can we send Alex's team to look at goods?

[11/12/20, 9:46:34 PM] Brad: Thomas, have Ana pay.

[11/12/20, 9:47:38 PM] Ms Li: We can wire transfer the fund to the seller's account (account information provided in the contract). With the proof of payment they will arrange us to verify the product.

[11/12/20, 9:58:00 PM] Brad: Thomas, add Ana to this chat. She can drop in wire confirmation upon your approval.

[11/12/20, 9:59:15 PM] Ms Li: Please send me the proof of wire transfer as soon as you get it done, so I can get the directions from the seller to arrange Alex people to see the goods.

[11/12/20, 9:59:20 PM] Ms Li: Thank you.

[11/12/20, 10:00:03 PM] Brad: Ok. Thomas will approve, and we will add Ana to this

chat for wire confirmation

[11/12/20, 10:00:52 PM] Ms Li: Thanks.

[11/12/20, 11:34:30 PM] Tommy H. Kato: This sounds like a scam now

[11/12/20, 11:34:53 PM] Tommy H. Kato: Ms Li find another option for us

[11/12/20, 11:35:08 PM] Tommy H. Kato added Ana Gajic

[11/12/20, 11:35:50 PM] Tommy H. Kato: Bradley this sound a more like a scam but if you want to send \$5,000 go ahead

[11/12/20, 11:36:11 PM] Tommy H. Kato: Ms Li do you have any other options besides this company?

[11/12/20, 11:37:37 PM] Ms Li: The person who introduced me to the seller, he will pay the money back if this is a scam. He said the owner of Run the world is a very well respected person.

[11/12/20, 11:38:46 PM] Ms Li: I am working on it.

[11/12/20, 11:39:55 PM] Ms Li: But I really think this is a more fair supplier than others.

[11/12/20, 11:40:55 PM] Tommy H. Kato: Ok Ana on this chat will send it. Give her the details

[11/12/20, 11:43:25 PM] Ms Li: <attached: 00000122-PHOTO-2020-11-12-23-43-25.jpg>

[11/12/20, 11:51:13 PM] Tommy H. Kato: Ana send them \$5k

[11/12/20, 11:56:00 PM] Ana Gajic: No problem will do.

[11/12/20, 11:57:27 PM] Ms Li: Hi, Ana, nice to meet you here. And please send me the pay slip once it's done. Thank you.

[11/13/20, 12:00:31 AM] Ana Gajic: Hi, Ms Li, of course, a confirmation will be sent to you. Nice to meet you too.

[11/13/20, 12:01:59 AM] Ms Li: Thank you. When do you expect to get it done? Tonight? Or tomorrow?

[11/13/20, 12:05:55 AM] Ms Li: The reason why I am asking is that once the payment is done, we can arrange Alex's people to verify the goods tonight, it is still day time in Malaysia. Otherwise we will have to wait until tomorrow evening.

[11/13/20, 12:11:43 AM] Ana Gajic: It seems Swift code is not correct. I'll need to call the bank to verify. Please, could you confirm swift code from your end? I'll call the bank tomorrow morning my time.

[11/13/20, 12:12:09 AM] Ms Li: Ok

[11/13/20, 12:21:18 AM] Ms Li: MBBESGS2

[11/13/20, 12:21:52 AM] Ms Li: Swift Code:  
MBBESGS2

[11/13/20, 6:34:11 AM] Brad: Ms Li, can you confirm the swift code with the client and the bank?

[11/13/20, 6:34:53 AM] Brad: We want to get this payment out immediately so Alex's team can go see product.

[11/13/20, 6:49:51 AM] Ms Li: The right swift code:

MBBESGS2

[11/13/20, 6:51:00 AM] Brad: They had an S at the end instead of 2

[11/13/20, 6:51:30 AM] Ms Li: That's right.

[11/13/20, 8:33:06 AM] Ana Gajic: Ms Li, thank you for confirming the swift code. The payment was sent, \$5,000.00, confirmation #201113040940.

[11/13/20, 8:33:54 AM] Brad: Ms Li, please coordinate with Alex immediately

[11/13/20, 8:35:31 AM] Ms Li: Ok. But it is 9:30pm in Manila.

[11/13/20, 8:36:02 AM] Brad: Ok, get the address so he can start coordinating

[11/13/20, 8:36:05 AM] Ms Li: I have sent the confirmation to the seller already.

[11/13/20, 2:11:12 PM] Brad: From our other source:

The gloves are available in Manila, Philippines, but I'm not sure if they are genuine or fake. Because the gloves are now packed in 200 pieces, and what they provide is 100 pieces. They said that this batch of gloves was produced in September, and there are 100 pieces in the package. The middleman I contacted said that if we want to buy, he said he could pay 5000 dollars to the seller in advance, and then we would arrange SGS inspection.

[11/13/20, 2:11:51 PM] Brad: Please inquire about this. And as you stated, your contact will guarantee our \$5k

[11/13/20, 2:14:54 PM] Ms Li: Let me find out.

[11/13/20, 3:39:42 PM] Ms Li: How does he know that they packed in 200 pieces? Did he view the goods already? If he did why his middle man need to pay \$5000?

[11/13/20, 3:44:59 PM] Ms Li: Let me find out what's going on and have the seller to arrange US to verify the goods.

[11/13/20, 4:16:10 PM] Tommy H. Kato: We really need these. Please follow up and also find a back source.

[11/13/20, 4:16:37 PM] Tommy H. Kato: Everyone there is working 24 hours straight.

[11/13/20, 4:22:48 PM] Brad: Ms Li, please follow up shortly with Run the World.

Should be able to make contact with them in the next few hours....

[11/13/20, 4:23:03 PM] Brad: We have to send Alex's team their immediately

[11/13/20, 5:25:50 PM] Ms Li: Yes, I will follow.

[11/13/20, 5:59:26 PM] Brad: Please do. We are a bit concerned. Have to have these gloves on an airplane in the next few days

[11/13/20, 6:01:30 PM] Ms Li: Absolutely. I am concerned too. Let's wait just another hour or so. We will get a good answer.

[11/13/20, 6:44:27 PM] Tommy H. Kato: Ok

[11/13/20, 6:44:41 PM] Tommy H. Kato: Please have a back up plan

[11/13/20, 6:44:54 PM] Tommy H. Kato: Do you have any in the states right now?

[11/13/20, 6:47:50 PM] Ms Li: Intco. They have 10,000 boxes in their warehouse right now. I know this because of one of my clients want them. But you want them, I will give them to you. But the price is way too expensive as always,( they have the highest price among all). \$15.30 per box,

[11/13/20, 7:04:56 PM] Tommy H. Kato: 10,000 is nothing... those are in New Jersey

[11/13/20, 7:05:19 PM] Tommy H. Kato: I found there for \$13.50

[11/13/20, 7:06:24 PM] Ms Li: Intco?

[11/13/20, 7:06:43 PM] Ms Li: The one I found is in LA.

[11/13/20, 7:07:57 PM] Tommy H. Kato: I have different ones then.

[11/14/20, 12:46:42 AM] Ms Li: Hi Ana, can you please send me the wire transfer proof, showing the amount, name of the account and so on? It is Saturday in Philippine, it's possible that they won't see the money until Monday.

[11/14/20, 12:48:02 AM] Ms Li: Name of the money receiver?

[11/14/20, 12:53:16 AM] Ana Gajic: Ma Li, I'll see what can I do.

[11/14/20, 12:54:16 AM] Ms Li: Please. Thank you. And I apologize for trouble you at late night.

[11/14/20, 12:54:52 AM] Ana Gajic: Ms Li, it is a weekend here but I'll try to pull something out. No problem at all.

[11/15/20, 12:01:43 PM] Tommy H. Kato: What happened?  
[11/15/20, 12:03:20 PM] Ms Li: Weekend slow things down. But tonight we will have the contact information to arrange goods moving to the airport and have SGS inspection done there.  
[11/15/20, 12:04:48 PM] Tommy H. Kato: Please we need to see they are real and buy them.  
[11/15/20, 12:04:57 PM] Tommy H. Kato: Our client keeps asking us too.  
[11/15/20, 12:07:36 PM] Ms Li: We will know once the inspection done. They have the guts to take the goods to the airport and have inspection done, then we make the payment. If that's all going through it can't be wrong.  
[11/15/20, 12:12:16 PM] Tommy H. Kato: I need to give the client an update tonight or very early tomorrow morning.  
[11/15/20, 12:13:00 PM] Ms Li: Definitely later this evening.  
[11/15/20, 12:14:53 PM] Tommy H. Kato: Please  
[11/15/20, 12:24:13 PM] Ms Li: I sure will.  
[11/15/20, 7:08:34 PM] Brad: Ms Li, what is the status?  
[11/15/20, 7:36:41 PM] Ms Li: At 9am there time, they will have the contact person for us. About 10am, they should know whether the money in their account.  
[11/15/20, 7:36:59 PM] Ms Li: I am on top of it.  
[11/15/20, 8:52:23 PM] Brad: Ok.  
[11/15/20, 8:52:38 PM] Brad: We need this steered to completion  
[11/15/20, 9:27:47 PM] Ms Li: That's the goal.  
[11/16/20, 11:44:09 PM] Ms Li: I tried to call Mr. Kato and Mr. Bradley, no answer from either one.  
[11/16/20, 11:52:59 PM] Ana Gajic: Ms Li, I hope you have good news. They will reach you out as soon as they are available.  
[11/17/20, 3:22:41 AM] Brad: Ms Li, please intervene and get the product to the airport for inspection! There is NO reason this is taking so long.  
[11/17/20, 7:33:20 AM] Tommy H. Kato: Is there an update?  
[11/17/20, 7:35:15 AM] Ms Li: The seller is making appointment SGS inspection. Once that is confirmed they will send the goods to the designated location for inspection.  
[11/17/20, 12:53:43 PM] Ms Li: We need to pay SGS inspection fee for total of \$1320 usd. It is too late for Manila already. If we wait for SGS to give us a invoice tomorrow morning, then we transfer the money, it will be too late. So let's transfer the money to Alex guys and have him to send the money to SGS tomorrow together with

the invoice which will be given by SGS.

[11/17/20, 12:55:00 PM] Brad: Have you discussed with Alex?

[11/17/20, 12:55:15 PM] Ms Li: The fund has to be done now to make sure we get the earliest appointment.

[11/17/20, 12:55:27 PM] Brad: When I spoke to you 20 minutes ago, we were going to pay directly to SGS

[11/17/20, 12:55:50 PM] Ms Li: But we don't have the invoice yet.

[11/17/20, 12:56:23 PM] Ms Li: And we won't have it until late this evening.

[11/17/20, 12:56:44 PM] Brad: I'll discuss with Alex

[11/17/20, 12:56:55 PM] Ms Li: Please. Thanks.

[11/17/20, 5:33:08 PM] Tommy H. Kato: Ana can pay it now

[11/17/20, 5:38:52 PM] Ana Gajic: Brad, please, did you confirm with Alex?

[11/17/20, 6:33:36 PM] Ms Li: Do we have a full address where the goods going to in the US?

[11/17/20, 6:37:28 PM] Brad: Chicago ORD airport care of Rock Fintek, LLC

[11/17/20, 7:57:35 PM] Brad: Dimerco will coordinate

[11/17/20, 8:12:57 PM] Brad: Ms Li, where is the product

[11/17/20, 8:13:13 PM] Brad: Dimerco is paying for SGS

[11/17/20, 8:20:11 PM] Ms Li: We have Alex's people we trust, they can arrange the SGS, and air flight, but might taking a little more time.

We also have the seller, we are not familiar with, but they have been working with SGS, and airline every day, meaning getting better and fast service. So we need to have Alex's people work closely with cautions with the seller. So we can get the goods to the US faster. That's my opinion.

[11/17/20, 8:21:39 PM] Brad: That is fine. Have them coordinate with dimerco

[11/17/20, 8:21:41 PM] Brad: Immediately

[11/17/20, 8:22:03 PM] Brad: Ms Li, get involved with them to push this through. Hospitals need these gloves

[11/17/20, 9:30:01 PM] Tommy H. Kato: Ms Li, we are counting on you for these gloves.

Please tell me you have a back up option?

Let's order from the back up option now.

[11/17/20, 10:46:31 PM] Ms Li: Ok. Can we use LC? This way we will avoid risk. And easy to work with for me.

[11/17/20, 10:49:04 PM] Tommy H. Kato: No we wore funds when we verify they are real

Contract sign, buyer issue LC, money will be released upon SGS in destination airport, CIF US price is \$10.90 per box.

[11/23/20, 4:53:23 PM] Ms Li: I don't have any seller take TT payment even with bank guarantee. LC, safe for both side, avoid the kind of headache we are facing now with the 150,000 boxes.

[11/23/20, 5:14:47 PM] Ms Li: Please let me know if the price and terms( LC) acceptable.

[11/26/20, 10:05:48 PM] Ms Li: 1 million Superior, made in Vietnam, with FDA 510K, in stock, in Los Angeles. \$14.5 per box.

[11/26/20, 10:09:03 PM] Ms Li: Should we proceed this one? We got to move fast before it's all gone. Just arrived in LA.

[11/26/20, 10:09:56 PM] Brad: Payment terms?

[11/26/20, 10:10:52 PM] Ms Li: I don't know yet. It's in LA. We need to show proof of fund first.

[11/26/20, 10:11:18 PM] Brad: Very expensive. Will not take all of them.

[11/26/20, 10:11:44 PM] Brad: Would consider 50,000 boxes.

[11/26/20, 10:11:46 PM] Ms Li: In LA, so I need to know how do we want to pay.

[11/26/20, 10:12:15 PM] Brad: 14.5 is very expensive

[11/26/20, 10:12:41 PM] Ms Li: Two weeks ago, Intco gloves was \$15.6 per box.

[11/26/20, 10:13:19 PM] Brad: We paid \$14 max for INTCO

[11/26/20, 10:13:32 PM] Brad: And that was too much

[11/26/20, 10:13:53 PM] Brad: Ms Li, we lose money buying these...

[11/26/20, 10:14:02 PM] Ms Li: Not any more.

[11/26/20, 10:14:10 PM] Brad: Would only buy to appease client

[11/26/20, 10:14:14 PM] Ms Li: I understand.  
[11/26/20, 10:14:30 PM] Brad: We will buy 50,000 only  
[11/26/20, 10:14:43 PM] Brad: See if they will let us have them  
[11/26/20, 10:15:05 PM] Ms Li: Let me ask.  
[11/26/20, 10:16:23 PM] Ms Li: <attached: 00000270-PHOTO-2020-11-26-22-16-23.jpg>  
[11/26/20, 10:16:23 PM] Ms Li: <attached: 00000271-PHOTO-2020-11-26-22-16-23.jpg>  
[11/26/20, 10:17:37 PM] Ms Li: On Nov. 13, Intco was \$151 per carton; today, he said \$200 per carton. It's getting crazy.  
[11/26/20, 10:17:55 PM] Brad: I agree  
[11/26/20, 10:18:02 PM] Brad: Ask for 50,000  
[11/26/20, 10:18:18 PM] Brad: We will wire and pick up  
[11/26/20, 10:18:29 PM] Ms Li: Ok.  
[11/26/20, 10:21:17 PM] Ms Li: Unfortunately, they sell 1 million as a bulk. No less than that.  
[11/26/20, 10:22:32 PM] Ms Li: We can't even take 100,000 boxes.  
[11/26/20, 10:24:45 PM] Ms Li: If that is the case, this is not going to work.  
[11/26/20, 10:48:29 PM] Tommy H. Kato: 100,000k boxes would be good  
[11/26/20, 10:48:50 PM] Tommy H. Kato: 1 million for that price is not worth it  
[11/26/20, 10:49:30 PM] Ms Li: They only sell 1 million boxes together.  
[11/26/20, 10:52:21 PM] Tommy H. Kato: No thanks, they cost way too much  
[11/26/20, 11:30:23 PM] Ms Li: Hartalega product (Nitrile gloves), seller is a very good Chinese company located in Dongguan, China, mother company is a public company.  
We issue LOI and proof of fund, seller will provide Hartalega confirmation letter with delivery schedule directly from Hartalega factory. We have to sign a 2 million boxes contract. The price is \$8.30 per box (100/per box), FOB Malaysia; after contract is sign within 7 day, 300,000 boxes will be ready for shipping. The rest can be delivered within 1 month.  
[11/27/20, 8:45:39 AM] Ms Li: Good morning, is this a good deal? Please let me know. Thanks.  
[11/27/20, 9:27:43 AM] Ms Li: 公司简介中英文-一站式.pdf • 1 page <attached: 00000286-公司简介中英文-一站式.pdf>  
[11/27/20, 10:06:26 AM] Tommy H. Kato: We have said it 10 times, WE ARE NOT SHOWING BANK INFORMATION TO ANYONE.  
[11/27/20, 10:07:14 AM] Tommy H. Kato: If Alex can verify the gloves we can buy wire the funds. That's it, the same thing we have been saying over and over again.  
[11/27/20, 10:07:30 AM] Tommy H. Kato: We are still buying gloves  
[11/27/20, 10:07:37 AM] Ms Li: Do you like the price?  
[11/27/20, 10:08:20 AM] Tommy H. Kato: The price is fine  
[11/27/20, 10:08:42 AM] Ms Li: Ok. Let me work on it.  
[12/1/20, 4:16:16 AM] Brad: What happened today!  
[12/1/20, 4:16:57 AM] Brad: Did Mr Le sort out the problem with the manufacturer? Are we getting the gloves  
[12/1/20, 4:18:31 AM] Brad: Please update us here as soon as possible.  
[12/1/20, 8:34:25 AM] Ms Li: Not yet.  
[12/1/20, 8:36:01 AM] Brad: What does he say?  
[12/1/20, 8:36:13 AM] Brad: This is very unfortunate  
[12/1/20, 8:36:49 AM] Ms Li: Those two are still fighting. But they are having a zoom meeting as we speak.  
[12/1/20, 8:39:16 AM] Brad: So ridiculous

[12/1/20, 8:39:28 AM] Brad: We need to pay for the gloves to take them anyways  
[12/1/20, 8:40:40 AM] Brad: We send in freight forwarder and pay.  
[12/1/20, 8:49:45 AM] Ms Li: Still negotiating.  
[12/1/20, 9:37:09 AM] Brad: Get this done  
[12/1/20, 9:37:14 AM] Brad: This is ridiculous  
[12/2/20, 9:11:57 AM] Brad: What is the update,  
[12/2/20, 9:21:16 AM] Ms Li: Mr. Lee sent his people to see the owner of the goods. His people just arrived there an hour ago.  
[12/2/20, 9:21:31 AM] Ms Li: Give them a little more time. Let's see.  
[12/2/20, 9:27:35 AM] Brad: Ms Li, this seems to be one thing after another. Do they have the gloves to buy or not?  
[12/2/20, 5:03:33 PM] Brad: Update?  
[12/2/20, 5:03:57 PM] Brad: They have had enough time to talk. I think it's time to send back the money.  
[12/2/20, 5:28:04 PM] Ms Li: I agree. Send me the account information and I will have them to send the money back.  
[12/2/20, 5:35:57 PM] Brad: Send to you and you pay is back in America  
[12/2/20, 5:36:02 PM] Brad: Us  
[12/2/20, 5:36:18 PM] Brad: Not giving our banking info to them  
[12/2/20, 5:37:25 PM] Ms Li: Ok. I will have them send to my account and I will forward it to you.  
[12/2/20, 9:18:34 PM] Ms Li: <attached: 00000317-PHOTO-2020-12-02-21-18-34.jpg>  
[12/2/20, 9:19:48 PM] Ms Li: Chat between owner of the goods and Mr. Lee's interpreter.  
[12/2/20, 9:30:59 PM] Brad: Does that mean we are getting gloves?  
[12/2/20, 9:31:06 PM] Brad: Don't really understand it?  
[12/2/20, 9:32:07 PM] Ms Li: Yes, that's what they are saying.  
[12/2/20, 9:33:09 PM] Brad: Keep me posted  
[12/2/20, 9:33:21 PM] Ms Li: Will do.

[12/5/20, 10:23:28 PM] Ms Li: If we want them I can have the seller to provide us with the pictures and videos. And I told them we have to get SGS inspection done by our side and our people have to see the goods for verification.  
[12/5/20, 10:25:23 PM] Ms Li: Please let me know in your earliest convenience. As they can not hold them for us for long.  
[12/5/20, 10:37:03 PM] Tommy H. Kato: We will take them  
[12/5/20, 10:37:23 PM] Tommy H. Kato: I have friends in Mumbai to check them out  
[12/5/20, 10:37:47 PM] Ms Li: Great. Let me work on it.

[12/5/20, 10:44:08 PM] Brad: Buy them  
[12/5/20, 10:45:23 PM] Ms Li: I am trying to arrange our people to see the goods today. Please make sure to let your friend in Mumbai know and make himself available if we are allowed to see today.  
[12/5/20, 10:50:03 PM] Brad: Get this done. Redeem yourself  
[12/6/20, 3:07:02 PM] Ms Li: The buyer is preparing the purchase agreement,

[12/7/20, 8:32:49 PM] Ms Li: Or escrow, or LC

[12/7/20, 8:40:32 PM] Ms Li: I am trying to allow our people to verify the goods before SGS inspection. Then we can choose what type of payment we want to use.

[12/7/20, 10:40:59 PM] Ms Li: Seller doesn't agree.

We will have to sign a purchase contract first, then our people can go to see the goods for verification before any kind of payment. Payment terms will be: TT 50% 50%; or partial TT for air shipping and the rest LC for sea shipping; or 100% LC.

[12/9/20, 5:38:48 PM] Brad: Where are the gloves?  
[12/9/20, 5:39:59 PM] Brad: What country ?  
[12/9/20, 5:40:03 PM] Ms Li: 800, 000 boxes are in Vietnam In Vietnam.  
[12/9/20, 7:00:21 PM] Ms Li: Should we proceed with:  
1. 800,000 boxes Superiuer, \$9.1/box, in Vietnam ?  
2. 500,000 WiMax, \$8.7/box, in Thailand ?

I have refused the 6 containers Hartalega.

But I need to know whether we will proceed with both two, or any of them, or none of them.

[12/9/20, 7:44:45 PM] Ms Li: Can somebody give me an answer?  
[12/9/20, 7:45:32 PM] Ms Li: Or should I just forget about everything here?  
[12/9/20, 7:52:50 PM] Brad: Ms Li, apologies. Both Thomas and I have been ridiculously busy. We will evaluate you deal tomorrow morning.  
[12/9/20, 7:55:13 PM] Ms Li: Ok. Thanks.  
[12/9/20, 7:56:15 PM] Ms Li: Don't know whether they will be still there or not by tomorrow.  
[12/10/20, 12:07:56 AM] Tommy H. Kato: Is it real this time  
[12/10/20, 12:10:38 AM] Ms Li: Absolutely.  
[12/10/20, 12:19:08 AM] Ms Li: They will allow us to see the goods first.  
[12/10/20, 10:41:19 AM] Ms Li: Good morning, please let me know what do we want to do with the following offer:

1. 800,000 boxes Superiuer, \$9.1/box, in Vietnam ?

2. 500,000 WiMax, \$8.7/box, in Thailand ?

[12/10/20, 10:50:01 AM] Brad: Ms Li, please ask the seller to allow us to airfreight in 50,000 boxes for our client. The hospitals want to distribute to the doctors to make certain the quality. Upon successful determination, we will purchase the rest.

[12/10/20, 10:50:27 AM] Brad: Either Wimax or superior

[12/10/20, 10:51:01 AM] Brad: Doesn't matter. We want to get a brand to our client to make certain they will accept. There is too much fraud in the marketplace

[12/10/20, 10:51:18 AM] Brad: We will pay for the 5 million gloves now.

[12/10/20, 10:51:51 AM] Brad: Obviously there is tremendous risk involved in these deals. We need assurances

[12/10/20, 10:52:15 AM] Ms Li: Ok, I understand. Can you send me an LOI for both?

[12/10/20, 10:52:52 AM] Ms Li: And I will work on them

[12/10/20, 11:20:33 AM] Ms Li: I need to talk to you, please call me.

[12/10/20, 11:28:28 AM] Brad: Need 30 mins

[12/10/20, 11:28:59 AM] Ms Li: I will wait.

[12/10/20, 12:08:46 PM] Ms Li: For WiMax, they are not going to sell for smaller amount other than 1 million. They agreed for 500,000 is because of the first time buyer. But the seller does agree, that we can make the deposit directly pay to the factory account. Than the rest of the payment pay to the seller. ( the sell has the distribution authority from the factory as provided to us already)

[12/10/20, 12:43:55 PM] Brad: In meeting

[12/10/20, 12:51:17 PM] Ms Li: They said on the documents that they provided to us, we have all the information we need to verify the seller and the factory. We can have people to go visit the factory, show the factory the authorization letter, verify the factory bank account information, anything we need. But for us to visit the warehouse, and get SGS inspection, we have to do one of the following:

1. At least 1 million USD deposit to the factory account.

2. 100 % LC issue to the seller

3. 100% Bank guarantee

[12/10/20, 4:31:51 PM] Ms Li: Please call me. Things to discuss. Thanks.

[12/10/20, 6:25:39 PM] Ms Li: 1. 800,000 boxes Superiuer, \$9.1/box FOB Vietnam, in Vietnam:

a. We need to sign the contract for 800,000 boxes to maintain the price. But the first shipment will be 50,000 boxes as trial.

b. Send our people to the warehouse to verify the goods.

c. We pay 50% of payment for the first shipment, which is  
 $(\$9.1 \times 50,000 \text{ boxes}) \div 2 = \$227,500 \text{ usd}$

d. We start SGS inspection, the goods sent to the airport for shipping

e. We make the remaining 50% of the payment to the seller, which is \$227,500 usd.

f. Transaction completed.

2. 500,000 WiMax, \$8.7/box, in Thailand ?

a. We sign the contract for 500,000 boxes (that's the minimum).

b. We send our people to call or visit the factory (contact information was provided in the documents) to verify the seller with the authorization letter (provided) and verify the factory account information.

c. We make the deposit (no less than 1 million usd) to the factory account.

d. We start SGS inspection, have the the goods delivered to the airport and or sea

port for shipping.

e. We make the rest of the payment which is: (500,000 boxes×\$8.7)-\$1,000,000=\$3,350,000 usd

f. Transaction completed.

[12/10/20, 9:03:40 PM] Ms Li: This message was deleted.

[12/10/20, 9:04:06 PM] Ms Li: We can start the process of verify the goods in Vietnam and verify the seller and the factory and it's bank account information in Thailand now.

[12/10/20, 9:04:28 PM] Tommy H. Kato: Ok

[12/10/20, 9:05:40 PM] Ms Li: This message was deleted.

[12/10/20, 9:06:33 PM] Ms Li: The information for the seller and the factory in Thailand are provided by the seller already.

[12/10/20, 9:07:55 PM] Ms Li: All we need to do now, send our people to call or visit the factory.

[12/10/20, 9:08:46 PM] Ms Li: And the goods in Vietnam, we can send people to visit the warehouse.

[12/10/20, 9:09:03 PM] Ms Li: Let me know what is the plan, please.

[12/10/20, 9:13:08 PM] Ms Li: Let's work on the purchase agreement, while we do the verification on both offer. We need to nail the goods by signing the contract. Otherwise they will be sold to someone else in no time.

[12/10/20, 10:08:54 PM] Ms Li: Seller of 500,000 boxes of WiMax, just informed us, after we are done with all kinds of verification, once we provide the payment proof of 1 million to the factory account, before the fund actually arrives to the factory account, we will be allowed to enter the factory warehouse, and start arranging the SGS inspection, and shipping related issues...

[12/11/20, 8:57:48 AM] Brad: We need the funds back from the other deal before we move forward

[12/11/20, 8:59:30 AM] Brad: <attached: 00000428-PHOTO-2020-12-11-08-59-30.jpg>

[12/11/20, 8:59:24 AM] Ms Li: They promised us to send back to us this week.

[12/11/20, 9:00:02 AM] Brad: We can't move forward until this is resolved

[12/11/20, 9:00:11 AM] Brad: I'm sure tou understand

[12/11/20, 9:00:14 AM] Brad: You

[12/11/20, 9:00:29 AM] Brad: We operate with the highest ethics

[12/11/20, 9:01:02 AM] Ms Li: Totally, even though these two offers has nothing to do with the other

[12/11/20, 9:11:38 AM] Brad: Ms Li, we need to get the money back from you. You guaranteed the money.

[12/11/20, 9:11:57 AM] Brad: Just Venmo the funds back so we can move forward

[12/11/20, 9:12:20 AM] Ms Li: That's what I am going to do now.

[12/11/20, 9:12:45 AM] Ms Li: How do I do it?

[12/11/20, 9:14:14 AM] Brad: Go to Venmo and send funds. It's easy

[12/11/20, 9:14:28 AM] Brad: Download Venmo app

[12/11/20, 9:14:41 AM] Brad: Set up account, and send us funds  
[12/11/20, 9:14:57 AM] Brad: Half here

[12/11/20, 9:38:52 AM] Ms Li: It's too complicated. Please send me your account information so I can wire transfer. Or I can send you checks you can deposit it.  
[12/11/20, 9:40:46 AM] Ms Li: Let me know what your choice is, please.

[12/11/20, 9:45:02 AM] Brad: I am 50. Old too.  
[12/11/20, 9:45:08 AM] Brad: This is easy to do  
[12/11/20, 9:45:20 AM] Brad: And expedites the process  
[12/11/20, 9:45:49 AM] Ms Li: Wire transfer is the easiest way for me.

[12/11/20, 10:48:25 AM] Ms Li: Please tell me if this is the right app. Thanks.

[12/11/20, 10:54:01 AM] Brad: We had to wire funds for that  
[12/11/20, 10:54:34 AM] Ms Li: \$1,235  
[12/11/20, 10:55:06 AM] Ms Li: So in total, \$6,235  
[12/11/20, 10:58:04 AM] Ms Li: Is this the right app?

[12/11/20, 12:43:00 PM] Ms Li: This message was deleted.  
[12/11/20, 12:44:08 PM] Ms Li: This is the message sent from Mr. Lee. It doesn't matter to you any more as I have refunded half the money to you.( the other half couldn't be sent because of the issue with the app, but will figure out a way to send soon).  
[12/11/20, 1:24:35 PM] Ms Li: Deal or no deal, we have to give a clear direction this evening on both offers( 800,000 boxes of Superiuer and 500,000 boxes of WiMax). I can't keep ask them to hold with no action. This is in stock deals, people are fight for them.  
[12/11/20, 1:28:03 PM] Brad: We are discussing internally.  
[12/11/20, 1:28:17 PM] Ms Li: Ok.

[12/11/20, 5:07:29 PM] Ms Li: If we want to proceed with both or either one of the offers:

1. We need to issue the LOI (draft provided), (make whatever necessary changes) for the 800,000 boxes of Superiuer Nitrile gloves. And send it to the seller this evening.

2. We need to sign the purchase agreement (draft provided) for the 500,000 boxes of WiMax Nitrile gloves, and send it to the seller this evening.

[12/11/20, 5:10:17 PM] Ms Li: By the way, for Superiuer, the seller gets 2 million boxes every month, if we want a long term contract, we can do that, and we will renegotiate the price ( the \$9.1is too high for long term contract).  
[12/11/20, 7:25:21 PM] Ms Li: Please let me know what do you to do after discussing. Thank you.

[12/11/20, 7:32:00 PM] Brad: Hey Ms Li, I will be tied up with my son for the next day. Spending overdue time together

[12/11/20, 7:32:48 PM] Ms Li: Enjoy the time with your son.

[12/11/20, 7:34:43 PM] Ms Li: Should we forget about the two offers? Can somebody tell me what to do, please?

[12/11/20, 7:38:34 PM] Ms Li: And for the refund for Mr. Kato's half, we will have to wait until next week unless you allow me to wire transfer. Thank you.

[12/11/20, 7:38:55 PM] Brad: Not forgetting about the offers. We are still evaluating

[12/11/20, 7:39:25 PM] Brad: Thank you for refunding part of the money. Please follow through with the other half as soon as possible

[12/11/20, 7:40:56 PM] Ms Li: Will be done.

Remarks: No 510k.  
[12/12/20, 11:35:29 AM] Ms Li: Show proof of fund, then go to the warehouse to check the goods.  
[12/12/20, 12:03:09 PM] Ms Li: 100% TT, take the goods out of the factory by the buyer. The price is \$19.2 ex-warehouse.  
[12/12/20, 1:12:15 PM] Brad: Can we buy 25,000 boxes and put them on a plane to have client try?  
[12/12/20, 1:14:46 PM] Ms Li: Not this one  
[12/12/20, 1:15:01 PM] Ms Li: But we can try WiMax.  
[12/12/20, 1:19:23 PM] Ms Li: Do you want to try WiMax? This one they only sell 10 million as a bulk.  
[12/12/20, 1:25:12 PM] Brad: We won't buy 10m  
[12/12/20, 1:42:33 PM] Ms Li: I understand. But do you want to buy 25,000 boxes of WiMax?  
[12/12/20, 1:57:59 PM] Brad: Yes  
[12/12/20, 1:58:24 PM] Brad: We need our hospitals and doctors to test the gloves.  
[12/12/20, 1:58:37 PM] Ms Li: Ok. Let me check if they sell 25,000 boxes.  
[12/12/20, 1:58:41 PM] Brad: We will buy 25,000 and airfreight  
[12/12/20, 1:58:56 PM] Ms Li: Ok.  
[12/12/20, 1:58:57 PM] Brad: If goes well. We order in volume  
[12/12/20, 1:59:05 PM] Ms Li: Ok  
[12/12/20, 4:26:13 PM] Ms Li: Do you want to do the same for Superiuer gloves, buy 25,000 boxes and air freight to the US?  
[12/12/20, 4:26:57 PM] Ms Li: I can find out the possibility for both.  
[12/12/20, 4:47:25 PM] Brad: No. One or the other.  
[12/12/20, 5:12:34 PM] Ms Li: Ok.  
[12/12/20, 5:18:36 PM] Ms Li: Have we done any du diligence to WiMax offer? The seller, the factory, the factory's bank account?  
[12/12/20, 6:20:21 PM] Brad: Not yet  
[12/12/20, 6:23:04 PM] Ms Li: Let me make sure they can sell us 25,000 boxes first. Then I will let you know so we can send people to verify all the information.  
[12/12/20, 6:47:16 PM] Brad: Ok  
[12/12/20, 9:12:45 PM] Ms Li: WiMax agreed to sell us 25,000 boxes as trial.  
[12/12/20, 9:14:09 PM] Tommy H. Kato: Great  
[12/12/20, 9:14:12 PM] Tommy H. Kato: How much  
[12/12/20, 9:15:40 PM] Ms Li: Stay with the same price \$8.70. But they won't save the rest of the 500,000 boxes for us.  
[12/12/20, 9:16:22 PM] Ms Li: We can now do our job to call or visit the factory for verification.  
[12/12/20, 9:18:24 PM] Ms Li: <attached: 00000549-PHOTO-2020-12-12-21-18-24.jpg>  
[12/12/20, 9:18:42 PM] Ms Li: This is the factory bank account information.  
[12/12/20, 9:20:47 PM] Ms Li: This message was deleted.  
[12/12/20, 9:21:11 PM] Ms Li: We can take this to the factory and the bank to

verify.

[12/12/20, 9:22:57 PM] Ms Li: The factory address is on it.

[12/12/20, 9:31:42 PM] Tommy H. Kato: If it's real we might buy all of them

[12/12/20, 9:32:31 PM] Ms Li: Send Alex's people to do the verification.

[12/12/20, 9:33:20 PM] Brad: How do they get in touch with them?

[12/12/20, 9:33:44 PM] Ms Li: All the information was given in the documents.

[12/12/20, 9:33:55 PM] Ms Li: Let's find them.

[12/12/20, 9:37:28 PM] Ms Li: But first if we want all the 500,000 boxes, we have to send them the purchase agreement first to hold the goods.

[12/12/20, 9:41:36 PM] Brad: Need 25,000 boxes of the blue nitrile gloves

[12/12/20, 9:44:20 PM] Ms Li: By signing the contract we don't need to make any payment, that's only for the purpose of holding all 500,000 boxes. But we still go with 25,000 boxes first. Just in case you may want to change your mind once we know everything is legit.

[12/12/20, 11:44:10 PM] Ms Li: Address, contact information, all here.

[12/13/20, 9:23:29 AM] Ms Li: Good morning. Can we move forward now? Have you done any verification?

[12/13/20, 9:37:56 AM] Ms Li: 500K USA letter(1).pdf • 2 pages <attached: 00000565-500K USA letter(1).pdf>

[12/13/20, 9:39:21 AM] Ms Li: That's based on 500,000 boxes. We can do the same with 25,000 boxes

[12/13/20, 10:15:07 AM] Brad: How do you know this company and deal is real?

[12/13/20, 10:15:23 AM] Brad: There is tremendous fraud going on right now

[12/13/20, 10:15:41 AM] Brad: Please investigate thoroughly

[12/13/20, 10:16:26 AM] Ms Li: All the information is provided, please send Alex's people in Bangkok to verify.

[12/13/20, 10:18:35 AM] Ms Li: It shouldn't be that hard to verify them.

[12/13/20, 10:19:35 AM] Ms Li: All the factory information is on this paper.

[12/13/20, 10:20:00 AM] Ms Li: And they are very open to us.

[12/13/20, 10:20:29 AM] Ms Li: They don't hide anything.

[12/13/20, 10:21:16 AM] Ms Li: We buy 25,000 first while we still have the rest of the 500,000 in contract.

[12/13/20, 10:27:27 AM] Ms Li: Even the person who issued it his name, phone number, address, all here.

[12/13/20, 12:25:47 PM] Ms Li: We have the identifications for both the owner of the seller and the owner of the factory in this draft contract. Please check.

[12/13/20, 4:24:38 PM] Ms Li: It will be Monday tonight for Asia. We need some action here to let the seller know what we want to do.

[12/13/20, 4:30:59 PM] Brad: Document is with our attorney on China

[12/13/20, 4:31:29 PM] Brad: Waiting for his review and opinion

[12/13/20, 4:31:36 PM] Ms Li: Ok.

[12/13/20, 8:11:34 PM] Ms Li: This message was deleted.

[12/13/20, 8:28:37 PM] Ms Li: Do you think if we can get the draft contract back any time tonight?

[12/13/20, 9:07:28 PM] Brad: Still waiting for our attorney to review

[12/13/20, 10:29:05 PM] Ms Li: Ok

[12/14/20, 10:58:11 AM] Ms Li: <attached: 00000587-PHOTO-2020-12-14-10-58-11.jpg>

[12/14/20, 10:59:02 AM] Ms Li: Still won't let me do it.

[12/14/20, 10:59:50 AM] Ms Li: Guess it has to be 7 days as one week.

[12/14/20, 11:00:14 AM] Ms Li: Per account.

[12/14/20, 11:08:28 AM] Brad: Ok. Please make sure to refund Thomas ASAP

[12/14/20, 11:10:17 AM] Ms Li: I am trying to do it now. But it didn't allow me to.

[12/14/20, 11:25:12 AM] Ms Li: Any updates on the WiMax contract?

[12/14/20, 11:50:01 AM] Brad: Being reviewed

[12/14/20, 11:54:36 AM] Ms Li: Do you think we could have it later today?

[12/14/20, 7:02:35 PM] Ms Li: Do we have the draft contract back yet?

[12/14/20, 7:02:45 PM] Ms Li: From the attorney?

[12/14/20, 8:16:57 PM] Ms Li: I assume we are not going to get the draft contract back tonight.

[12/14/20, 8:23:17 PM] Ms Li: I tried.

[12/14/20, 9:15:53 PM] Brad: Changes to the agreement. Please share with the seller to get approved.

[12/14/20, 9:16:17 PM] Ms Li: Thank you.

[12/14/20, 11:56:41 PM] Ms Li: The seller responds on the changes in the draft contract:

1. The 500,000 boxes belong to the seller, not the factory any more. The factory doesn't have the right to sell this 500,000 boxes.
2. The reason why the seller allows the buyer to pay the deposit to the factory is based on Ms. Li's request, and also to show the factory's recognition on this cargo.
3. The factory will not sign the contract, but the factory will issue a letter to proof the 500,000 boxes exist in the factory's warehouse for the seller after the contract is signed.

[12/15/20, 10:43:48 AM] Ms Li: We need to quickly respond to this SPA, like today, please.

[12/15/20, 1:17:45 PM] Ms Li: I would suggest to have Alex's people take this letter to the factory for verification before we make any payment.

[12/15/20, 5:18:20 PM] Ms Li: Any words about the SPA?

[12/15/20, 5:31:34 PM] Brad: Not yet

[12/15/20, 7:38:44 PM] Ms Li: What is the status? Being reviewed by the attorney? Are we going to get it tonight?

[12/16/20, 12:00:25 AM] Ms Li: <attached: 00000611-PHOTO-2020-12-16-00-00-25.jpg>

[12/16/20, 12:04:44 AM] Ms Li: \$5,000 usd is wired to my account by "run the world" from Singapore. The SGS fee that we paid will be refunded from Manila.

[12/16/20, 6:48:19 AM] Brad: Ok

[12/16/20, 9:02:10 AM] Ms Li: Can I get some kind of response about my question here?

[12/16/20, 9:59:53 AM] Brad: We are vetting this opportunity

[12/16/20, 10:00:28 AM] Ms Li: Good.

[12/16/20, 10:25:05 PM] Ms Li: Any updates?

[12/17/20, 8:47:49 AM] Ms Li: Good morning, are we done with vetting? Any news?

[12/17/20, 10:50:37 AM] Ms Li: <attached: 00000619-PHOTO-2020-12-17-10-50-37.jpg>

[12/17/20, 10:50:52 AM] Ms Li: Still won't allow me.

[12/17/20, 10:52:37 AM] Ms Li: Last payment made to Bradley was 11th. Tomorrow will be exactly one week. Let's wait to tomorrow.

[12/17/20, 2:16:55 PM] Ms Li: Any updates?

[12/17/20, 2:19:38 PM] Tommy H. Kato: Bradley any thoughts?

[12/17/20, 2:27:29 PM] Ms Li: The seller has provided us with verification and authorization letter to allow us to make the payment to the factory account, proof of product letter, the video to proof the product....with all these original documents, it shouldn't be too hard to verify them... so, please let me know what should we do next, proceed, not proceed?

[12/17/20, 2:53:49 PM] Brad: Where is the product now? What country?

[12/17/20, 2:54:53 PM] Ms Li: Bangkok, Thailand.

[12/17/20, 2:55:15 PM] Brad: Can we send our freight forwarder to the warehouse to see the gloves? Also, is there an current SGS report?

[12/17/20, 2:57:24 PM] Ms Li: I am sure the factory has their old SGS report (not the current cargo we are going to buy, that we have to do our own SGS.)

[12/17/20, 3:13:25 PM] Ms Li: To see the product, I asked, the answer was we can go to the factory to verify with the letters. But the seller can not arrange the viewing without any commitment.

[12/17/20, 3:16:17 PM] Ms Li: I would say, we should at least sign the purchase agreement, and in the contract we should clearly mention that the downpayment will only be made after our agent physically view the product in the warehouse.

[12/17/20, 3:17:25 PM] Ms Li: Then after that, we can have the seller to arrange our freight forwarder to the warehouse to see the gloves.

[12/17/20, 3:19:42 PM] Ms Li: And we should get the contract signed today so maybe tonight, the seller can arrange to see the products.

[12/17/20, 4:29:44 PM] Ms Li: Can we have the contract ready tonight by 8 or 9 o'clock?

[12/17/20, 5:55:13 PM] Ms Li: That's a question, can someone give me an answer?

[12/17/20, 5:58:03 PM] Brad: We haven't decided on what we are going to do

[12/17/20, 6:01:02 PM] Ms Li: I see. Thank you.

[12/17/20, 7:31:20 PM] Ms Li: The seller just informed me that they are going to hold the cargo for us any more. Now they are going to go first come first serve.

[12/17/20, 8:41:58 PM] Ms Li: I am trying to arrange our freight forwarder to view the goods today (our time tonight).

[12/17/20, 8:42:49 PM] Ms Li: Please make sure our people will be available if that will happen today.

[12/17/20, 8:45:01 PM] Tommy H. Kato: Ok

[12/17/20, 8:45:40 PM] Ms Li: Thank you.

[12/17/20, 9:15:30 PM] Ms Li: The seller wants us to sign the contract first then to see the goods, I told them we are not going to sign the contract until we see the goods. So the seller want to issue a letter, to confirm that we are definitely going to buy the goods once we verify it. Therefore, we need to promise the seller that we are going to sign the contract within 12 hours after we verify the goods. And we will make the payment within 24 hours. I told them it is night here in the States. Now, first do you agree with this conditions? If you do, I will use my company to issue this letter, with your name as the buyer in the letter (as the LOI was issued by my company any way.) if you allow me to. Please let me know now. Then he will arrange us to view the goods today.

[12/17/20, 9:20:03 PM] Ms Li: Please, please, I need your advice now.

[12/17/20, 9:31:15 PM] Ms Li: Payment meaning 1 million usd to the factory.  
[12/17/20, 9:35:19 PM] Tommy H. Kato: After verification?  
[12/17/20, 9:35:36 PM] Ms Li: Yes.  
[12/17/20, 9:36:59 PM] Ms Li: After verification, sign the contract within 12 hour, make the down payment (1 million to the factory) within 24 hours.  
[12/17/20, 9:58:42 PM] Ms Li: Do you have people in Bangkok, Thailand, available to verify the goods today?  
[12/17/20, 9:59:19 PM] Ms Li: What should I do? Please advise me.  
[12/17/20, 10:14:56 PM] Ms Li: Buyer is waiting for our decision, please, time is very limited.  
[12/17/20, 10:46:23 PM] Ms Li: It is almost midnight. If you decide not to proceed I just tell the buyer and I don't have to keep up late. Please just tell me what to do.  
[12/17/20, 10:48:02 PM] Ms Li: Why is it so hard to get a word from you? Please just show some respect!  
[12/17/20, 10:49:22 PM] Ms Li: It seems like all my hard work doesn't mean anything!  
[12/18/20, 8:09:05 AM] Ms Li: What is the problem now? Do you want the cargo or not? Please just give a clear answer.  
[12/18/20, 8:11:46 AM] Brad: Ms Li, we are a large operation. We vet out 100's of deals. We want to work with you, please understand you missed an opportunity when the last deal wasted our time. I am very cautious now. Also, you still owe us funds.  
[12/18/20, 8:12:43 AM] Brad: I like your opportunity as much as any we are evaluating. Please be patient as we perform due diligence  
[12/18/20, 8:14:11 AM] Brad: We are are very careful with our funds. We have been stung several times.  
[12/18/20, 8:16:46 AM] Ms Li: Listen, last deal, the supplier is a good supplier, but miscommunication made it impossible. The refund, I have tried my best to make it happen, the supplier has sent most of it back to me. If you allow me to wire transfer it would be done last week. So, you can't blame me for that.  
[12/18/20, 8:18:41 AM] Brad: Fair enough.  
[12/18/20, 8:18:57 AM] Brad: We appreciate your honesty.  
[12/18/20, 8:19:13 AM] Brad: Please try to Venmo the remaining today.  
[12/18/20, 8:19:19 AM] Ms Li: Careful with the fund as we all should be, I have tried my level best to limit your risk, you can ask any suppliers to see if they would do as what this supplier have done.  
[12/18/20, 8:19:49 AM] Ms Li: Before any commitment  
[12/18/20, 8:21:51 AM] Ms Li: I don't like being ignored when questions asked.  
[12/18/20, 8:24:31 AM] Ms Li: <attached: 00000665-PHOTO-2020-12-18-08-24-31.jpg>  
[12/18/20, 8:24:57 AM] Ms Li: Again this is what I got, just now.  
[12/18/20, 8:25:58 AM] Ms Li: Let me try later today.  
[12/18/20, 8:34:42 AM] Ms Li: About vetting on this one, it shouldn't be too hard, our people will go to the factory to verify the goods before any payment, meanwhile, when our people in the factory, we can also verify other issues, the supplier, the factory bank account, those two letters... if all good, what is the risk?  
[12/18/20, 8:36:06 AM] Ms Li: Now let's send our people to verify the goods, that doesn't cost us anything!  
[12/18/20, 10:49:04 AM] Ms Li: Can we arrange people to go to verify the goods tonight (tomorrow Bangkok time)?  
[12/18/20, 11:06:59 AM] Tommy H. Kato: Ms Li, we are a little skeptical after all the time and energy we have put in on previous deals.

This one would need thorough vetting out.

[12/18/20, 11:10:00 AM] Ms Li: This message was deleted.

[12/18/20, 11:11:18 AM] Ms Li: I understand. But we need to put it in action. By sending our people to the factory to verify the goods and the seller is the most direct and effective way of vetting.

[12/18/20, 12:01:19 PM] Brad: Let me see if I can arrange

[12/18/20, 12:02:47 PM] Ms Li: Great. Should I inform the seller to arrange time and location for tonight?

[12/18/20, 12:03:21 PM] Brad: Have to see when we can get someone from our team.

[12/18/20, 12:04:05 PM] Ms Li: Ok. Please let me know once you confirm. Thank you.

[12/18/20, 12:26:37 PM] Ms Li: <attached: 00000678-PHOTO-2020-12-18-12-26-37.jpg>

[12/18/20, 12:26:45 PM] Ms Li: Done.

[12/18/20, 12:58:00 PM] Brad: Thank you

[12/18/20, 1:07:51 PM] Ms Li: You are welcome.

[12/18/20, 4:48:34 PM] Ms Li: I promised the seller if we are not going to verify the goods tonight, they can sell it to someone else. So do we have our people ready?

[12/18/20, 7:06:06 PM] Ms Li: If we do have the people there ready to go, let move forward while we still vetting, actually by verify the goods that's part of the vetting too.

[12/18/20, 8:01:42 PM] Ms Li: A new day starts in Bangkok. Do I need to have the seller arrange viewing or not? Or we are not ready yet?

[12/19/20, 7:18:03 AM] Ms Li: Is it a joke or what? The seller is offering us to go to the factory to view the goods, and that's what you have been asking for from day one. When we are offered, you just keep quiet, no action. This is very embarrassing! I don't think you guys are serious!

[12/19/20, 7:21:50 AM] Ms Li: Just wasting my time!

[12/19/20, 9:08:24 AM] Tommy H. Kato: Send our logistics guy to go see them.

[12/19/20, 9:10:33 AM] Ms Li: Please give me the name of the person who is going and his contact information, I will have the seller to arrange that.

[12/19/20, 9:11:09 AM] Tommy H. Kato: Brad has it

[12/19/20, 9:16:01 AM] Ms Li: The seller will arrange his people to wait for our logistics guy at the factory warehouse and take him in to view the goods.

[12/19/20, 9:22:59 AM] Brad: Ms Li, send the address

[12/19/20, 9:23:02 AM] Brad: Contact name

[12/19/20, 9:25:33 AM] Ms Li: We need to issue a letter, promising:

After verification, sign the contract within 12 hour, make the down payment (1 million to the factory) within 24 hours.

[12/19/20, 9:26:44 AM] Brad: The reason I don't like this deal is \$1m directly to the factory and the rest of the payment to a 3rd party.

[12/19/20, 9:26:55 AM] Brad: Why is this the case?

[12/19/20, 9:27:22 AM] Brad: Very suspicious of this transaction.

[12/19/20, 9:27:24 AM] Ms Li: It's not the third party, it's the seller.

[12/19/20, 9:27:42 AM] Brad: Why patents going 2 different ways?

[12/19/20, 9:27:46 AM] Brad: Payments

[12/19/20, 9:27:51 AM] Ms Li: We can pay everything to the seller if you prefer.

[12/19/20, 9:28:29 AM] Ms Li: It is me who insisted to make the first payment to the factory.

[12/19/20, 9:29:11 AM] Ms Li: I thought this is safer for us.

[12/19/20, 9:30:50 AM] Ms Li: The seller is the one who owns the goods. Not the

factory.

[12/19/20, 9:31:32 AM] Ms Li: That's the way it should be for the seller.

[12/19/20, 12:47:16 PM] Ms Li: So, what's now?

[12/19/20, 2:39:16 PM] Brad: Ms Li, where do our people go? Who is the contact person and the address?

[12/19/20, 2:41:09 PM] Ms Li: Our people will go to the factory warehouse. The seller will provide us with all the contact information of who our people is going to meet at the warehouse and take our people to view the goods.

[12/19/20, 2:47:25 PM] Ms Li: Once we issue the commitment letter, the seller will provide us with the information we need.

[12/19/20, 6:06:18 PM] Ms Li: Any progress?

[12/19/20, 8:13:21 PM] Ms Li: At night, is morning in Bangkok, Thailand, if any action need to be taken, this would be good time.

[12/19/20, 8:22:02 PM] Tommy H. Kato: Bradley?

[12/19/20, 8:24:22 PM] Brad: Can't use my phone. Shabbath Shalom

[12/19/20, 8:45:03 PM] Ms Li: Is this our person in Bangkok?

[12/19/20, 10:32:31 PM] Ms Li: What does this mean?

[12/20/20, 6:26:39 PM] Ms Li: Today is the last chance if we want to proceed with 500,000 boxes of WiMax gloves. Otherwise we will lose this deal for sure.

[12/20/20, 7:00:42 PM] Ms Li: I begged the seller to hold it through the weekend.

[12/20/20, 7:02:05 PM] Ms Li: If you want it, we still have it. If you don't want it, I tried.

[12/20/20, 7:02:44 PM] Tommy H. Kato: We need them, we are just so skeptical now. We need way more gloves than we can find. I am getting on a plane now for 4 hours

[12/20/20, 7:05:21 PM] Ms Li: Once our people see them, we will know. We can't sit at home and imagine every one is a thief

[12/20/20, 7:06:50 PM] Ms Li: Tell me what do yuh ou want me to do, what else do you need to make you with a clear mind?

[12/20/20, 7:07:41 PM] Ms Li: You have to communicate with me, so I will know what need to be done.

[12/20/20, 7:10:06 PM] Ms Li: I do have couple of other leads too. But we can't sit on something for weeks....

[12/21/20, 12:27:27 PM] Ms Li: So what kind of terms will you take? I thought by having the factory letters, stating that they recognize the seller, and agree taking partial payment on behalf of the seller, proof that they have the goods in their warehouse; both the seller and the factory agree to physically show the buyer the goods available in the factory warehouse...etc...all those would be good enough to proof they are legit and serious seller with the product and price you agree with. Apparently that's not enough. So please tell me who else do you need?

[12/21/20, 12:28:09 PM] Ms Li: You are more experienced, please tell me.

[12/21/20, 3:41:28 PM] Ms Li: What

[12/21/20, 10:02:37 PM] Ms Li: I do have couple of suppliers, some of them I have successful transactions with. Please tell me what your terms are, what is your requirement. For sure I can help you.

[12/21/20, 10:24:46 PM] Brad: Ms Li. We have been focused on a few deals at the moment. We have plenty of opportunity. Please be patient

[12/23/20, 10:03:04 AM] Ms Li: Another buyer is going to take this 500,000 boxes of WiMax gloves, all the terms are agreed, seller is expecting the buyer to sign the contract tonight. Now the buyer is asking if we still want to proceed. Otherwise by tonight, we will be no long in this deal

[12/23/20, 10:08:33 AM] Ms Li: This message was deleted.

[12/23/20, 10:09:43 AM] Ms Li: I sincerely hope that we will take this deal. As I know this is legit seller, the factory is legit factory, my friend has success transactions with this seller and this factory. Plus, from the way how open they are to us, I don't really see any holes.

[12/23/20, 10:31:27 AM] Brad: What are the payment terms again?

[12/23/20, 10:32:32 AM] Ms Li: Tell me how do you want to make the payment, that you think it's fair and safe?

[12/23/20, 10:52:19 AM] Ms Li: Remember they want 1 million after verification of the goods, the rest after SGS either we take the goods from the warehouse or we take over from the airport, our choice.

[12/23/20, 11:28:51 AM] Ms Li: 1 million is less than 25%, we can pay to the seller directly or we can pay to the factory, it's our choice, but the rest of the payment has to be paid the the seller.

[12/23/20, 11:38:42 AM] Ms Li: But tell me what do you think is fair and safe for both side. Then I will talk to the seller.

[12/23/20, 12:58:43 PM] Ms Li: Hi, Brad, can you respond to this, please.

[12/23/20, 2:58:47 PM] Ms Li: Can someone respond to this, please?

[12/23/20, 4:23:34 PM] Brad: Sorry Ms Li, been with family all day.

[12/23/20, 4:31:02 PM] Ms Li: That's ok. Can you tell me what kind of payment terms you would like for this 500,000 boxes of WiMax gloves?

[12/23/20, 7:42:08 PM] Ms Li: Brad, I will have to ask you again. If you don't want to proceed please tell me, too. It not fair to the seller to keep holding while you don't plan to proceed at all.

[12/23/20, 7:43:22 PM] Ms Li: I will have to tell the seller the truth in an hour or so.

[12/23/20, 7:43:58 PM] Ms Li: So please tell me the true, deal or no deal. No need to hide anything.

[12/23/20, 7:44:30 PM] Brad: <attached: 00000743-PHOTO-2020-12-23-19-44-29.jpg>

[12/23/20, 7:44:55 PM] Ms Li: I need a clear answer, please.

[12/23/20, 10:15:40 PM] Ms Li: So should I ask to hold for one more day?

[12/23/20, 10:47:27 PM] Ms Li: Please make sure that tomorrow we will have a clear direction. Thank you.

[12/24/20, 8:26:53 AM] Ms Li: Goog morning, I would appreciate it if you guys can give me a clear direction today.

[12/24/20, 12:11:41 PM] Ms Li: I am waiting.

[12/24/20, 12:59:43 PM] Brad: Hey Ms. Li, we are celebrating Xmas the next few days. We can reconvene after.

Have a happy holidays

[12/24/20, 1:04:11 PM] Ms Li: So basically you are just telling me to forget about all the work that I have been doing for the last couple of weeks. You could tell me two weeks ago, so we don't hold this deal for nothing. Not fair for the seller. Wasting everybody's time. Very embarrassing! This is more than ridiculous!

[12/24/20, 1:08:03 PM] Ms Li: We disturbed the factory two for the letters to proof it legit of the deal.

[12/24/20, 1:08:04 PM] Brad: Listen, we appreciate the work you have done. Unfortunately we wasted a lot of our time on the last deal as well.

Both Thomas and I take time with our family for Christmas. We will reconsider this

deal in a few days.

[12/24/20, 1:27:11 PM] Ms Li: Last deal was a legit deal, just lack of trust to each other. So I have done everything in my power to limit the risk that we may have in this deal, you have all those weeks, all the information you need to do due diligence...

[12/24/20, 1:27:42 PM] Ms Li: I really hope you do better than this..

[12/24/20, 1:32:06 PM] Ms Li: Any way, enjoy your holiday!

[12/26/20, 10:39:40 PM] Ms Li: The deal for WiMax was gone. But we can order, the price might be slightly higher and it take 3 to 7 days for delivery after payments contract signed. Depends on the quantity. Same payment terms, 25% after verification, 75% after SGS upon delivery.

[12/27/20, 12:39:30 PM] Ms Li: Big progress, the seller for WiMax gloves agrees to have the factory as co-seller in purchase agreement. But only in the trial purchase of a 500,000 boxes of gloves. Another word, both the seller and the factory will sign on the contract as sellers. For the trial of 500,000 boxes, the goods will be ready to ship within 3 days after the contract is signed. No payment will be needed before verification of the goods by the buyer's representative.

[12/27/20, 12:40:41 PM] Ms Li: If we decide to sign the contract right away, the price still remains at \$8.70 per box.

[12/27/20, 12:42:32 PM] Ms Li: Now, please tell me whether you are interested. If you do, please let me know immediately so we can proceed this evening.

[12/27/20, 12:50:52 PM] Tommy H. Kato: Ms Li, I left for the NYE and won't be back or working until the 4th

[12/27/20, 12:52:27 PM] Ms Li: So nothing is going to be done before the 4th?

[12/27/20, 12:53:24 PM] Brad: Ms Li, I evaluate all opportunities.

[12/27/20, 12:53:26 PM] Tommy H. Kato: Not with me. Maybe Brad.

[12/27/20, 12:55:09 PM] Ms Li: Enjoy your trip.

[12/27/20, 12:55:18 PM] Brad: This seems like a fair offer. Have you done any due diligence on WiMAX as company? How long have they been in business? Is our money secure and collectible?

[12/27/20, 12:55:53 PM] Tommy H. Kato: Thank you

[12/27/20, 12:56:10 PM] Brad: Do they have any references of successful delivery?

[12/27/20, 1:12:38 PM] Ms Li: Brochure Wimax-Pisut 4 Nov 2020\_Final + JDC.pptx • 24 slides <attached: 00000768-Brochure Wimax-Pisut 4 Nov 2020\_Final + JDC.pptx>

[12/27/20, 1:17:49 PM] Ms Li: The documents look all good, and the person who introduced me to the seller very highly recommended, the factory has been in business for over a decade. But more importantly, we were provided all the information including the factory address, contact information...

[12/27/20, 1:19:26 PM] Ms Li: We even has IDs of both the owner of the seller and the factory.

[12/27/20, 1:36:30 PM] Ms Li: Plus, we will send people to verify the goods first.

[12/27/20, 5:58:36 PM] Ms Li: Hi, Brad, should we proceed?

[12/27/20, 5:59:17 PM] Ms Li: This message was deleted.

[12/27/20, 6:07:06 PM] Brad: Not sure yet Ms Li. Will update you tomorrow mid morning

[12/27/20, 6:07:37 PM] Ms Li: Ok. Thank you.

[12/28/20, 12:22:09 PM] Ms Li: Hi, Brad. Any update?

[12/28/20, 4:02:05 PM] Ms Li: I am waiting for your words, Brad.

[12/28/20, 6:24:15 PM] Ms Li: Hi, Brad, what's going on?

[12/28/20, 6:25:03 PM] Brad: Working. Don't have a decision for tou as of yet

[12/28/20, 6:25:05 PM] Brad: You

[12/28/20, 6:30:54 PM] Ms Li: Ok

[12/29/20, 10:52:16 AM] Ms Li: Hi, Brad, do you think we can have a decision today?

[12/29/20, 11:03:04 AM] Brad: Still evaluating. I'm exploring several deals at the moment. Please be patient.

[12/29/20, 11:20:20 AM] Ms Li: 10 million boxes Hartalega Coats available, ready to ship, \$9.70 per box, payment terms: 100% LC. Minimum order 2 million boxes. Could be partially shipped.

[12/29/20, 11:26:40 AM] Ms Li: The goods is in Hartalega factory warehouse in Malaysia. Private seller.

<attached: 00000786-2116\_Company\_Profile\_ANS\_Draft\_Rev0.pdf>

[12/30/20, 2:39:49 PM] Ms Li: This one we can start with smaller amount. For trial order we can have both the factory and the seller as co-seller in the contract. To see the goods we need POF and purchase agreement.

The price for this one is \$7.50 per box(100 pieces). TT or LC are acceptable

[1/1/21, 12:16:02 AM] Ms Li: Happy New Year!

[1/1/21, 12:58:20 AM] Tommy H. Kato: Happy New Year!

[1/5/21, 7:46:39 AM] Ms Li: Hartalega Nitrile gloves, 10 million boxes (100 pieces) per month, \$7.8 per box. 100% LC, private seller in Singapore, start delivery 15 days after contract signed. Minimum order 1 million per month.

[1/5/21, 10:32:19 AM] Ms Li: Seller accept non transferable LC and seller provide a 2% performance bond against LC. A very reliable seller.

[1/5/21, 10:32:41 AM] Ms Li: Seller is:

Ju Feng Le international Pte Ltd

A very reliable trading company. That's why they accept non transferable LC.

[1/5/21, 10:33:41 AM] Ms Li: <attached: 00000793-PHOTO-2021-01-05-10-33-41.jpg>

[1/5/21, 10:34:07 AM] Ms Li: This is the one we are talking about.

[1/5/21, 2:16:40 PM] Brad: Does this company have documentation that they buy directly from Hartalega?

[1/5/21, 2:17:16 PM] Brad: We have looked at Hartalega deals before. They have never worked out.

[1/5/21, 2:30:41 PM] Ms Li: Let me find out.

[1/5/21, 2:30:50 PM] Ms Li: Tonight.

[1/5/21, 2:38:40 PM] Brad: Ok

[1/5/21, 8:54:38 PM] Ms Li: For Hartalega product, the seller ( Ju Feng Le International Pte Ltd ) promised once we provide LOI and POF at the same time, they will show us the Proof of product (the Allocation) and delivery schedule. Right now only 5 million left, the other 5 million was taken already. To take this 5 million or less we need to act fast. LOI and Proof of fund must be provided no later than tomorrow to hold the goods and price.

[1/5/21, 9:04:44 PM] Ms Li: The seller is a very strong company.

[1/5/21, 9:10:20 PM] Ms Li: And before we send the LOI and proof of fund to the seller, we need to sign a NCNDA between Rock Fintech LLC and me ( Praxis Protection LLC).

[1/5/21, 9:11:17 PM] Ms Li: I can guarantee you, this seller is legit.

[1/5/21, 9:12:44 PM] Tommy H. Kato: Bradley doesn't seem to think so

[1/5/21, 9:13:29 PM] Ms Li: I guarantee this is a legit seller.

[1/5/21, 9:13:47 PM] Ms Li: And they have the allocation.  
[1/5/21, 9:16:07 PM] Ms Li: They give you a performance bond.  
[1/6/21, 10:32:49 AM] Ms Li: Good morning. Please let me know if you are interested in Hartalega deal.  
[1/6/21, 10:53:58 AM] Brad: Evaluating  
[1/6/21, 10:54:27 AM] Ms Li: Ok  
[1/6/21, 11:36:17 AM] Ms Li: Remember, very few seller can accept non transferable LC ( because they need your LC to pay the factory) and very few seller can provide 2% performance bond to guarantee the supply.  
[1/6/21, 5:18:36 PM] Ms Li: Good evening. If you decide to work on the Hartalega deal, we need to issue LC and proof of fund today.  
[1/7/21, 8:38:04 AM] Ms Li: For Hartalega, buyer can send agent to Hartalega factory to insure the product before LC issued once the contract is signed.  
[1/7/21, 8:43:36 AM] Ms Li: And the LC is designated for Hartalega product.. ..all these shows the strong tie between the seller and buyer, and seller power.  
[1/7/21, 8:57:27 AM] Ms Li: If you are still doubting the legitimate of the supply, I would say no need. Unless you are not interested in this deal. Please let me know.  
[1/13/21, 4:08:00 PM] Ms Li: Hartalega Nitrile gloves, seller has trading records( only show through video chat) including bill of Lading, SGS report, and arrange buyer representative to view the goods before any payment. Payment terms can be 100% TT or 100% LC, buyer's choice.  
[1/13/21, 4:09:36 PM] Ms Li: This message was deleted.  
[1/13/21, 4:11:28 PM] Ms Li: If you are interested, we can start with any amount. Right away.  
[1/13/21, 4:12:04 PM] Ms Li: The trading records are from last year to this year.  
[1/15/21, 6:56:56 AM] Ms Li: You guys should just tell me: what ever effort you put in, what ever products you bring here, we are not going to buy from you. Don't waste your time!  
I would have stopped long time ago.  
[1/15/21, 6:59:01 AM] Ms Li: Instead of wasting my time negotiating the best terms for you.....

[1/15/21, 4:06:32 PM] Ms Li: This message was deleted.  
[1/15/21, 4:06:50 PM] Brad: Don't believe this quantity exists

He is a cousin of my long time dear from Taiwan. The chairman has very strong connections with all the manufacturers in Thailand. He agreed to help us to purchase gloves from one of 3M's factories in Thailand. And he said we can get very good price. But he needs a LOI and proof of fund from us, then he will go to the factory to negotiate for us.

[2/4/21, 3:21:27 PM] Ms Li: Should we do this? This is a very credible contact.

[2/4/21, 3:22:50 PM] Ms Li: Still waiting for my friend's feed back about Hongrui in China. We should have it this evening.

[2/6/21, 6:17:14 PM] Ms Li: But I will try now.

[2/6/21, 7:01:34 PM] Ms Li: Hi Ashley

Hope you are doing well..

I cc Joel on this email .

I received the forwarding text in what s app from your buyer team. However we don't have a contact email to respond directly to them so please forward to Mrs Li, Brad and Tom this email .

As you can see on the ICPO , the ETA is before 02/08 plus custom release , which is Monday. After our conference call i told my seller i have a good comfort level with your team and we are selling the 3 containers to you . If you would like the 2 others one arriving this week please send just an ICPO and then you will transfer the funds once we have the custom released not before this time, that's fine.

The first container is already released ( see document delivery order ) and hopefully you can pick up Monday. Apparently the second container arrived yesterday and the third one is scheduled to arrive today but during the week end believe we don't have access to the system.

All of us we want to proceed the pick up for the 3 containers asap...As now its out of our hands , its US CUSTOMS..I will be on the top of it with custom broker first hour Monday and at the minute we have the green light will call you Regarding the escrow agreement It was a short day Friday for him but tomorrow we have a meeting at his office and i will be sure it will be signed.

Enjoy your week end.

Best regards

Bruno

[2/6/21, 7:22:52 PM] Brad: Thank you for the update. We will close this Monday.

[2/6/21, 9:35:26 PM] Ms Li: The seller accept 100% LC .

[2/6/21, 10:47:38 PM] Ms Li: Can we proceed on this one?

[2/6/21, 10:54:06 PM] Brad: Or can we commit to buy 1m at a time at LC of \$8.7m?

[2/7/21, 4:27:02 AM] Ms Li: Yes.

[2/7/21, 4:32:50 AM] Ms Li: A very good news:

Hongrui (China) Nitrile gloves, I million boxes per month (or more), \$8 per month, LC payment, start from February if we sign the contract right away. Let's make a quick decision and move fast. No one can get this deal.

[2/7/21, 8:43:41 AM] Ms Li: Let's get this 3 million boxes from Superiuer. And then we take Hongrui for long term contract. Agree?

Customs hands

We can have them today but also can take couple of days ...

[2/9/21, 8:44:38 PM] Tommy H. Kato: That's not happening tonight.

[2/9/21, 8:45:04 PM] Ms Li: Why?

[2/9/21, 8:45:39 PM] Tommy H. Kato: Because we are out at dinner and not dealing with them anymore.

They are charging us \$15 not \$8

[2/9/21, 8:45:44 PM] Tommy H. Kato: They can have it tomorrow

[2/9/21, 8:47:14 PM] Ms Li: They can not even get it from the factory for \$8.

This is quite the surprise

[2/10/21, 8:37:46 AM] Brad: We have told our client 10,40,40,10

[2/10/21, 8:38:51 AM] Brad: Zero small? And equal amounts of XL to Medium?

This needs to be known before hand. This is not what we agreed

[2/10/21, 8:39:00 AM] Ms Li: When we have the other two containers today, we will make them in that order( 10,40,40,10)

[2/10/21, 8:41:10 AM] Brad: Will the other container make up the difference?

We need a larger amount of mediums and smalls to equal out this container

[2/10/21, 8:41:36 AM] Brad: Why did they just drop this on us? Don't like surprises

[2/10/21, 3:29:45 PM] Tommy H. Kato: We just wired funds for this container and all the sizes are not what they told us.

They should have enough proof we pay for what we order.  
I do not want to start to be bothered about containers I can't even check to see if the sizes are correct.

[2/10/21, 3:35:29 PM] Ms Li: Fair enough.

[2/10/21, 4:10:39 PM] Ms Li: Are we taking the damaged cartons?

[2/10/21, 4:12:21 PM] Brad: No

[2/10/21, 4:16:03 PM] Ms Li: Ok.

[2/10/21, 7:28:12 PM] Ms Li: Done yet?

[2/11/21, 9:32:32 AM] Tommy H. Kato: Sounds like the same nonsense

[2/11/21, 9:38:09 AM] Ms Li: Good Afternoon Bruno:

Following our conversation...

First of all, we're sorry and very disappointed on the count/Size issue...

we're taking it really seriously, we've addressed it with our supplier, and we're making sure that we won't have to deal with this in the future.

However, please let me explain you something, a few months ago we've hired private security at our supplier to be on top of Quality control, but before that time, these issues have occurred,

So going fwd. we're not anticipating dealing with such, however we're not sure yet about the next few containers, hoping for the best, still we've delivered at such a harsh time, and looking fwd for a long term successful relationship!

Now let's get back to reality as 1-2-3

- 1) We've sent you the revised invoice, please make sure it's paid (released) asap, so you can pick up the first load today.
- 2) later on we'll get the confirmed count/sizes of the next two loads, we'll invoice them and you please make sure it's paid on time, the same...
- 3) next step, will need to fund the escrow for the rest of the BOL

Best Regards

Joel Stern

[2/11/21, 1:01:47 PM] Brad: Ms Li, our client will not accept these odd quantities. large quantities of XL is problematic. This needs to be balanced out.

[2/11/21, 1:02:51 PM] Ms Li: That's what I am here for.

[2/11/21, 4:45:41 PM] Ms Li: <attached: 00001288-PHOTO-2021-02-11-16-45-41.jpg>

[2/11/21, 4:57:19 PM] Brad: Are these the numbers?

[2/11/21, 4:57:34 PM] Brad: Accurate for the other 2?

[2/11/21, 4:57:46 PM] Ms Li: Almost.

[2/11/21, 4:58:02 PM] Ms Li: Just wait for a few minutes.

[2/11/21, 4:59:57 PM] Brad: I will have to talk to our client tomorrow to see if they will take them. Why all the XL? This is a debacles

[2/11/21, 5:00:13 PM] Ms Li: <attached: 00001294-PHOTO-2021-02-11-17-00-13.jpg>

[2/11/21, 5:01:31 PM] Brad: More like 15,15,30,30

[2/11/21, 5:01:34 PM] Ms Li: The sell is going to air freight the ones that are missing to make 10, 40, 40, 10

[2/11/21, 5:01:40 PM] Brad: What a mess.

[2/11/21, 5:01:54 PM] Ms Li: I know. Sorry.

[2/11/21, 5:02:07 PM] Brad: How do we rely on the seller doing that? What is the assurance?

[2/11/21, 5:02:41 PM] Brad: This is not what we agreed

[2/11/21, 5:02:48 PM] Ms Li: Let's count the numbers.

[2/11/21, 5:02:57 PM] Brad: And the airfreight will take how long?

[2/11/21, 5:03:11 PM] Brad: Do we wait until they get the right count in?

[2/11/21, 5:03:13 PM] Ms Li: A few days, I believe.

[2/11/21, 5:03:35 PM] Brad: I have to talk to our client tomorrow to see if they will take these

[2/11/21, 5:03:41 PM] Ms Li: No, everything has to be out of here by tomorrow.

[2/11/21, 5:03:50 PM] Ms Li: If we want to take them.

[2/11/21, 5:04:04 PM] Brad: Why?

[2/11/21, 5:04:09 PM] Brad: This is their issue

[2/11/21, 5:04:39 PM] Brad: Why would they sign contracts and not honor them?

[2/11/21, 5:04:44 PM] Ms Li: Otherwise there will be a late charge.

[2/11/21, 5:05:09 PM] Ms Li: It's not the seller, but the factory mess them up.

[2/11/21, 5:05:24 PM] Brad: Then they pay it

[2/11/21, 5:05:30 PM] Brad: To make it right

[2/11/21, 5:05:50 PM] Brad: We have a contract.

[2/11/21, 5:06:00 PM] Ms Li: They were told 300, 1200, 1200, 300, when we open the container, it's not like that.

[2/11/21, 5:06:12 PM] Brad: That's their problem

[2/11/21, 5:06:25 PM] Ms Li: They agreed to make it right.

[2/11/21, 5:06:46 PM] Brad: Yes, what is the collateral for us?

[2/11/21, 5:07:21 PM] Brad: Can't rely on them to airfreight them. Need collateral

[2/11/21, 5:08:35 PM] Ms Li: The missing ones we don't pay until they are here.

[2/11/21, 5:09:40 PM] Ms Li: Let me ask you this:

Are all three containers for one same client?

[2/11/21, 5:10:28 PM] Ms Li: If it is, we will give them whatever is here, and send the missing ones later by air.

[2/11/21, 5:10:40 PM] Ms Li: Can we do that?

[2/11/21, 5:12:39 PM] Ms Li: I totally understand your frustration. I am frustrated too. But in current situation when the clients crying for gloves, we just have to give them whatever we have and make it up later.

[2/11/21, 8:12:08 PM] Ms Li: Ashley , Li

Pls share this with Brad it's not so bad at the end

Missing 913 boxes and 1622 extra boxes of XL ( which is the best size )

We can order whatever he needs to complete the missing and have it next week

[2/12/21, 1:19:05 AM] Ms Li: <attached: 00001327-PHOTO-2021-02-12-01-19-05.jpg>

[2/12/21, 1:19:20 AM] Ms Li: <attached: 00001328-PHOTO-2021-02-12-01-19-20.jpg>

[2/12/21, 1:30:02 AM] Ms Li: Bradley, when you talk to your client tomorrow morning, please ask them if they want the missing numbers to be air freighted next week. I think we should do it as they won't charge us extra. The price is in the contract. Why not?

[2/12/21, 1:32:05 AM] Ms Li: I am still waiting for my commission agreements. I have

been asking so many times.

[2/12/21, 1:33:57 AM] Ms Li: If we want this, we need to suggest the address send to.

[2/12/21, 5:26:13 AM] Brad: We are missing credit for \$1050 for 7 boxes.

Will circle back after I talk to client. I'm on a plane at 8:30am, won't be able to speak to them until this afternoon.

[2/12/21, 7:10:57 AM] Ms Li: So there will be no pick up today then, right?

[2/12/21, 8:30:19 AM] Brad: Don't know. On airplane now. I'll connect with client this afternoon.

[2/12/21, 8:30:52 AM] Brad: We want the gloves, just have to make sure the client will take them

[2/12/21, 10:48:30 AM] Ms Li: Container 4 is in the warehouse now.

[2/12/21, 11:20:45 AM] Ms Li: I need directions if I should sort them out.

[2/12/21, 12:40:40 PM] Tommy H. Kato: Ms Li any other additional gloves you have in the US?

[2/12/21, 12:40:44 PM] Tommy H. Kato: We need more

[2/12/21, 12:41:46 PM] Ms Li: Yes.

[2/12/21, 12:47:25 PM] Ms Li: One more container probably Monday or Tuesday because Monday close

[2/12/21, 12:47:25 PM] Ms Li: Only 10 left of the 21 we offered coming 03/08-03/20

[2/12/21, 12:47:25 PM] Ms Li: Plus 4 on the water now

[2/12/21, 12:47:25 PM] Ms Li: This is with LC payment the 10 that is

[2/12/21, 12:47:38 PM] Ms Li: That's from Medicare.

[2/12/21, 12:48:13 PM] Tommy H. Kato: How much are those containers?

[2/12/21, 12:49:16 PM] Ms Li: 10 container is \$14 per box. LC% payment.

[2/12/21, 12:49:34 PM] Tommy H. Kato: Find from someone else for less

[2/12/21, 12:49:55 PM] Ms Li: If we want, we need to move now. It was 21 containers yesterday. Now only 10 left.

[2/12/21, 12:50:15 PM] Ms Li: I am trying.

[2/12/21, 12:50:35 PM] Tommy H. Kato: We are not buying 10 containers at that price

[2/12/21, 12:51:59 PM] Ms Li: Once the Chinese new year is over. I will have supplies from Hongrui. Better quality, price, any everything else.

[2/12/21, 12:52:14 PM] Ms Li: 1 week to go.

[2/12/21, 1:45:28 PM] Ms Li: If we decide to take the 2 containers we sort out yesterday, and the 4th one just came to the warehouse today, let's send at least one wire today, to keep the seller cool.

[2/12/21, 1:48:32 PM] Tommy H. Kato: What are all the sizes???

[2/12/21, 1:48:53 PM] Tommy H. Kato: We can take the 5 we agreed to, but the sizes all need to be corrected

[2/12/21, 1:48:54 PM] Ms Li: I sent yesterday.

[2/12/21, 1:49:14 PM] Tommy H. Kato: When are the e sizes going to be corrected?

[2/12/21, 2:23:35 PM] Ms Li: Just talked to Bruno. He said very strongly, no money today, No gloves. Even with all the explanations he didn't want to hear anything.

[2/12/21, 3:50:42 PM] Ms Li: 0830\_001.pdf.pdf • 3 pages <attached: 00001360-0830\_001.pdf.pdf>

[2/12/21, 3:51:09 PM] Ms Li: This is the breakdown for the forth container.

[2/12/21, 4:37:49 PM] Ms Li: Hi, if someone bring the goods to the US, and sell you for \$12.5 per box of 100 pieces, would you take a one year contract of 2 million

boxes per month?

[2/12/21, 4:57:28 PM] Tommy H. Kato: No way  
 [2/12/21, 4:57:39 PM] Tommy H. Kato: Not even close  
 [2/12/21, 4:57:48 PM] Ms Li: Too expensive?  
 [2/12/21, 4:57:51 PM] Tommy H. Kato: The prices are going to go down  
 [2/12/21, 4:57:55 PM] Tommy H. Kato: Yes very  
 [2/12/21, 4:58:05 PM] Tommy H. Kato: Especialar that volume  
 [2/12/21, 4:58:08 PM] Tommy H. Kato: Especially  
 [2/12/21, 4:58:47 PM] Ms Li: What would you accept?  
 [2/12/21, 4:58:57 PM] Ms Li: For that quantity?  
 [2/12/21, 5:01:37 PM] Ms Li: So let's wait for my Chinese friend after the new year.  
 [2/12/21, 5:08:52 PM] Ms Li: What about Hongrui FOB \$10.50 per box? Would you so long term contract?  
 [2/12/21, 6:35:20 PM] Tommy H. Kato: I won y do long term for that price. It's not sustainable  
 [2/12/21, 6:37:41 PM] Ms Li: I see.  
 [2/13/21, 9:38:07 AM] Ms Li: <attached: 00001376-PHOTO-2021-02-13-09-38-07.jpg>  
 [2/13/21, 9:38:49 AM] Brad: Same nonsense.  
 [2/13/21, 9:39:04 AM] Brad: These guys have no control over process.  
 [2/13/21, 9:40:28 AM] Brad: Hustling gloves with zero control. Really disappointed ms Li  
 [2/13/21, 9:42:04 AM] Brad: Flight attendant had xl gloves on yesterday. They look like trash bags on her. Very few People wear XL. It's a bunch of containers of garbage sizes the factory dumped.  
 [2/13/21, 9:42:40 AM] Ms Li: This message was deleted.  
 [2/13/21, 9:43:38 AM] Ms Li: So far, with 4 containers (1 picked up, 3 in the warehouse), we are missing:  
 267 cartons of Small  
 1965 cartons of Medium  
 1061 cartons of Large

And 4095 cartons of Extra Large extra.

[2/13/21, 9:44:02 AM] Brad: Really puts us in a bad spot  
 [2/13/21, 9:45:08 AM] Ms Li: I know. But the good things is they are willing to make it up by send us the missing ones by air freight.  
 [2/13/21, 9:45:39 AM] Brad: Get the gloves in the right sizes and we buy them  
 [2/13/21, 9:45:46 AM] Brad: Havethem airship immediately  
 [2/13/21, 9:45:52 AM] Brad: See if they are for real  
 [2/13/21, 9:46:04 AM] Brad: Asking us to pay on a promise is ridiculous  
 [2/13/21, 9:46:16 AM] Brad: And bad business  
 [2/13/21, 9:46:51 AM] Ms Li: Should we wait for the 5th container? Or have them to ship now?  
 [2/13/21, 9:48:16 AM] Brad: It's their responsibility  
 [2/13/21, 9:48:57 AM] Ms Li: Yes, but we need to give them the go ahead.  
 [2/13/21, 10:32:24 AM] Tommy H. Kato: Have them fly them in now  
 [2/13/21, 11:05:49 AM] Ms Li: Might be hard now because of the New Year.  
 [2/13/21, 11:06:01 AM] Ms Li: But I sent the request already.  
 [2/13/21, 11:07:30 AM] Brad: Have a hard time believing them. No control over process  
 [2/13/21, 11:18:17 AM] Ms Li: They are the one who raised the issue and promised to

air freight the missing ones.

[2/13/21, 11:19:08 AM] Brad: To pay now.

[2/13/21, 11:19:13 AM] Brad: And trust they do it

[2/13/21, 11:19:26 AM] Brad: Don't believe anyone in this gloves business

[2/13/21, 11:19:54 AM] Brad: They lied about the sizes, and/or don't have quality control over their order

[2/13/21, 11:23:57 AM] Ms Li: We paid for the first.

For the 2, 3, 4 containers, we can easily make 2 containers of 10, 40, 40, 10.

So I think we should pay for another 2 containers and pick up those 2 on Tuesday.

[2/13/21, 11:25:03 AM] Brad: Have them get the sizes right.

[2/13/21, 11:25:09 AM] Brad: That would be great

[2/13/21, 11:25:59 AM] Ms Li: And the rest we take them to avoid late charges but we won't pay for them until the whole 5 containers in good order. What do you think?

[2/13/21, 11:26:55 AM] Ms Li: All sorted out already. That's why we have all the breakdown sheets from the warehouse.

[2/13/21, 11:27:11 AM] Brad: No late charges period

[2/13/21, 11:27:23 AM] Brad: Their issue. Make it right

[2/13/21, 11:28:01 AM] Ms Li: I know. Late charges is not on us.

[2/13/21, 11:30:06 AM] Ms Li: So if this will work, let's arrange for Tuesday pick up. We need to inform Alex earlier to give hi I'm enough time for arrangement for Tuesday pick up.

[2/13/21, 11:33:30 AM] Ms Li: For this one, what would you pay? So I don't have to go back and forth?

[2/13/21, 12:24:31 PM] Tommy H. Kato: So you are making the other 2 containers with the correct amounts?

[2/13/21, 12:24:43 PM] Ms Li: Yes.

[2/13/21, 1:26:42 PM] Ms Li: This message was deleted.

[2/13/21, 1:34:14 PM] Ms Li: After making 2 containers with the correct amount (10, 40, 40, 10), we have the following as extra that we can mix with the 5th to fix the 3 correct amount container.

S. 333 cartons

M. 2 cartons

L. 54 cartons

XL. 2559 cartons

[2/13/21, 2:19:00 PM] Ms Li: Can we inform Alex to pick up the next 2 containers (with the correct amount) on Tuesday?

[2/14/21, 3:46:39 PM] Ms Li: This is in LA.

[2/15/21, 9:28:37 AM] Ms Li: Good morning. Reminder:

We need to inform Alex for picking up 2 containers. And I need to know what time his trucks will be there, so I will be there ahead of it to view the loading.

[2/15/21, 9:32:38 AM] Tommy H. Kato: We are with our kids on holiday. We can speak tomorrow

[2/15/21, 9:32:47 AM] Tommy H. Kato: I am putting my phone away

[2/15/21, 11:52:24 AM] Ms Li: This one.

[2/15/21, 11:54:27 AM] Brad: Invoice\_202103\_2021-02-05.pdf • 1 page <attached: 00001427-Invoice\_202103\_2021-02-05.pdf>

[2/15/21, 2:10:31 PM] Ms Li: This message was deleted.

[2/15/21, 2:16:07 PM] Ms Li: Just talked to Bruno. He wants to talk to you guys. He is saying if we want to keep going with the contract, we will just pick up the 2 full containers tomorrow. And 2 the day after as we planned. Then one week later or so, we will get the missing cases to make 5 full containers in total.

If we don't want to continue the contract, he will sell them to someone else, he will talk to the seller to either give us the missing cases for the the first one or return the extra money that we over paid.

But he doesn't want us to keep changing the plan and hold those containers in the warehouse while we don't want them.

[2/15/21, 3:32:56 PM] Brad: Seems that's his plan.

Not ours.

[2/15/21, 3:33:19 PM] Brad: Need to get the missing boxes immediately, and then we move forward

[2/15/21, 3:33:29 PM] Brad: Our client is very upset

[2/15/21, 3:33:32 PM] Ms Li: The seller wants to talk to you.

[2/15/21, 3:35:16 PM] Ms Li: Can either one of you call me? So I can connect you to the seller?

[2/15/21, 3:41:46 PM] Brad: Tied up. Please talk to the seller in our behalf. We need to pick up the 857 boxes of small and medium tomorrow

[2/15/21, 3:41:55 PM] Brad: Have them prepare immediately

[2/15/21, 3:42:52 PM] Ms Li: I understand, but this has to be solved between buyer and seller. I can't make decision for neither of you.

[2/15/21, 3:43:47 PM] Brad: Real simple. We agreed to 3 million on the first order. Got 2.1m of odd sizes

[2/15/21, 3:44:06 PM] Ms Li: They certainly have enough good in the warehouse. But we can't pick up anything without the seller permission.

[2/15/21, 3:44:13 PM] Brad: Need to complete the first 3m

[2/15/21, 3:44:40 PM] Brad: And we are over paying to buy these. They need to make it right

[2/15/21, 3:44:49 PM] Brad: Please call them and handle

[2/15/21, 3:45:01 PM] Brad: I am with my family.

[2/15/21, 3:45:08 PM] Ms Li: Seller wants to talk to you before he make any move.

[2/15/21, 4:08:52 PM] Ms Li: Seller insists to talk to the buyer. He doesn't wants to talk to middle people, not me, not Bruno.

[2/15/21, 5:51:17 PM] Ms Li: With the 4 containers we have (1 picked up, 3 in the warehouse), we have more than enough to make 2 full containers;

For 3 full containers, we are short of 765 cartons of medium only;

With the 5th container that is in the port already, we have no problem making 3 full containers, and the rest missing numbers we will wait for the air freight delivery.

[2/15/21, 5:52:00 PM] Ms Li: I am trying to talk to the seller, but he insists to talk to the buyer, not the middle person.

[2/15/21, 5:56:40 PM] Ms Li: So tomorrow, we either take a small amount (864 cartons) to make up the 1st container, plus one full container (3000 of 10,40,40,10);

Or we pick up 2 full containers.

[2/15/21, 5:57:41 PM] Ms Li: That's all I can do so far.

[2/15/21, 9:04:51 PM] Ms Li: Tomorrow at 12pm will release all the containers for other buyers

At this time I will advise the seller to have only 1 container available to help your buyer to recover their needs and not pick up the sizes they need just a full container or reimburse the extra money they sent

You have to understand I was more than patient and flexible and I am getting issues with the owner of the goods

They never put \$\$ in escrow and they change constantly their commitment since Friday  
 [2/16/21, 8:29:50 AM] Brad: Alex will need to pick up the missing boxes today.  
 [2/16/21, 8:30:09 AM] Brad: We will deliver to our client and make our order right  
 [2/16/21, 8:31:15 AM] Ms Li: So, we will forget about the rest of the cargo? Because  
 it we don't take them today, we will lose them.  
 [2/16/21, 8:31:36 AM] Brad: Hope that's not the case  
 [2/16/21, 8:31:49 AM] Brad: We need to make it right with our client  
 [2/16/21, 8:32:46 AM] Ms Li: I understand. But we need to give the seller a clear  
 picture also. They are ok with us only buy one full container.  
 [2/16/21, 8:32:57 AM] Brad: Then we can move forward. Please understand this has  
 been very unprofessional and our client doesn't tolerate  
 [2/16/21, 8:33:35 AM] Brad: We will buy after we deliver the first one in full  
 [2/16/21, 8:33:51 AM] Ms Li: They have buyers lining up for them.  
 [2/16/21, 8:34:16 AM] Ms Li: But then the rest will not be there for us.  
 [2/16/21, 8:35:08 AM] Brad: We expect them to hold the 2 containers so we can  
 deliver to our client  
 [2/16/21, 8:36:26 AM] Ms Li: Ok. For that the seller will need our commitment.  
 Either by deposit in escrow account, or deposit.  
 [2/16/21, 8:36:56 AM] Ms Li: And there will be late charges by the warehouse.  
 [2/16/21, 8:40:13 AM] Ms Li: Or do you want to talk to the seller Mr. Joel?  
 Hopefully he will agree to hold the next 2 containers for us.  
 [2/16/21, 8:43:09 AM] Brad: Yes, I'll talk to him. I am with my family on vacation  
 this week. Can talk at 11am  
 [2/16/21, 8:43:38 AM] Ms Li: Ok. Thanks.  
 [2/16/21, 9:01:07 AM] Ms Li: Confirmed  
 [2/16/21, 9:01:07 AM] Ms Li: He is very busy be sure 11  
 [2/16/21, 10:08:08 AM] Ms Li: In the first container, here is a full container, what  
 we tooke, and what we need to do:

1. S: 300 -----0 ----- -300
2. M: 1200 ----433----- -767
3. L: 1200 ----1285----- +85
- 4.XL: 300 -----418----- +118

To make a full container, despite what we took, we need:  
 300 Small, 767 Medium

But we took extra:  
 85 Large, 118 XL.

Now what do we want to do with extra that we took already?

[2/16/21, 10:33:21 AM] Tommy H. Kato: We need to take what is missing now  
 [2/16/21, 10:33:37 AM] Tommy H. Kato: And this week we need to pick up the other two  
 correct containers  
 [2/16/21, 10:40:49 AM] Ms Li: But, Thomas, they are not going to keep those goods in  
 the warehouse, it costs money for storage. Unless, We have deposit in the escrow  
 account, or we pay for deposit.  
 [2/16/21, 10:41:55 AM] Ms Li: And who is paying for the late charges? The seller  
 clearly doesn't want to pay for it, they would rather sell them to someone else.  
 [2/16/21, 10:43:10 AM] Ms Li: And again, I need my commission agreements!!!

[2/16/21, 10:43:17 AM] Brad: Need the 300 small and 767 medium today  
[2/16/21, 10:44:23 AM] Ms Li: Talk to the sell at 11am, please. I can't make decision for anyone.  
[2/16/21, 10:46:08 AM] Ms Li: Why don't I have it still after weeks?  
[2/16/21, 10:47:26 AM] Brad: You have your Commission agreement  
[2/16/21, 10:48:08 AM] Ms Li: You never sign and send to me.  
[2/16/21, 12:57:25 PM] Ms Li: Hi, Thomas, are you available for the call with the seller Mr. Joel?  
[2/16/21, 1:32:11 PM] Ms Li: Ok. 2:30pm. Phone call between buyer and seller.  
[2/16/21, 1:48:09 PM] Tommy H. Kato: 3:00  
[2/16/21, 2:32:03 PM] Ms Li: Ok.  
[2/16/21, 3:41:25 PM] Ms Li: Thomas, I may have a solution for you you cash and wire. Please call me.  
[2/16/21, 7:06:46 PM] Ms Li: If we definitely are going to take the other 2 containers, we will not have any risk to leave some money there as deposit. The goods are in the warehouse. They are not going anywhere if we have the deposit with the seller. But if we don't leave any deposit and we have nothing in escrow account, we give the seller no confidence to hold the goods for us.  
[2/16/21, 7:33:40 PM] Ms Li: They are waiting for our plan now. If they don't have our plan this evening, they will assume us paying \$320,000 tomorrow and pick up one full container. They will sell the rest of the goods to someone else. But we pay him \$450,000 tomorrow, pick up one full container, and leave the extra money from the first container as deposit for the rest of the goods (2 full containers and some), then they will hold the rest of the goods for us to pay and pick up later.  
[2/16/21, 7:43:37 PM] Ms Li: And they will air freight whatever is missing for the first and 5th containers.  
[2/16/21, 7:44:50 PM] Tommy H. Kato: What do they want to do for all 3?  
[2/16/21, 7:47:15 PM] Ms Li: The little deposit will buy us the time for later pick up.  
[2/16/21, 7:49:05 PM] Ms Li: The 5th container is not in the warehouse yet anyway.  
[2/16/21, 7:49:39 PM] Ms Li: It will be brought to the warehouse on Thursday.  
[2/16/21, 8:57:19 PM] Ms Li: If we want to pick up tomorrow,

1. We need to inform Alex to arrange the truck or trucks for tomorrow.
2. I need to inform the warehouse to get our goods ready for loading ( that's a busy bonded warehouse, our goods may be buried at the back)
3. We need to get the fund ready for payment.

Please let me know when and what quantity are we picking up tomorrow.

[2/16/21, 9:06:21 PM] Tommy H. Kato: Ok  
[2/16/21, 10:22:50 PM] Tommy H. Kato: Let's connect tomorrow around 10:00am and get this sorted out.  
[2/16/21, 10:23:20 PM] Ms Li: Ok.  
[2/17/21, 10:04:23 AM] Ms Li: Good morning, Thomas, I need your direction now, please.  
[2/17/21, 10:08:08 AM] Tommy H. Kato: I am on a conference call

[2/17/21, 12:29:50 PM] Ms Li: Should I head to the port or should I wait for the confirmation?

[3/2/21, 9:39:43 PM] Tommy H. Kato: Or we are out

[3/2/21, 9:41:23 PM] Ms Li: Let me told to them but I doubt. Can I use the ICPO I drafted?

[3/3/21, 6:52:39 AM] Ms Li: I did send the ICPO that I draft to Softmed ( Australian company) with \$6.80 per box. IF YOU DON'T AGREE WITH IT, I CANCEL IT NOW. Hopefully they will agree to keep the price \$6.8 for us. Let's see.

[3/3/21, 6:56:49 AM] Ms Li: For 1 million boxes Hongray Nitrile gloves, \$10.50 per box, ready to ship, we need to get the contract back no later than this morning, please.

[3/3/21, 7:48:24 AM] Brad: Ok. Reviewing

[3/3/21, 8:02:32 AM] Ms Li: Is it ok that I sent the ICPO for Softmed from Australian company that I drafted? Please confirm. Thank you.

[3/3/21, 11:27:00 AM] Brad: <attached: 00001817-PHOTO-2021-03-03-11-27-00.jpg>

[3/3/21, 11:27:50 AM] Brad: Ms Li, what are these sizes Joel has? This is beyond disappointing

[3/3/21, 11:29:14 AM] Brad: We will take what they owe us 8700 and 4200, TOTAL 12,900 in 10,40,40,10

[3/3/21, 11:31:15 AM] Ms Li: Those are the odd numbers. But he has send the request for air freight to make up full containers of 10 40 40 10 iij n total of 3000 case of each container.

[3/3/21, 11:31:36 AM] Brad: It's a mess

[3/3/21, 11:32:03 AM] Brad: He wants us to pick these up, pay full price, and has garbage sizes

[3/3/21, 11:32:42 AM] Brad: He wants a deposit on gloves to be airfreighted

[3/3/21, 11:32:50 AM] Brad: Another ridiculous request

[3/3/21, 11:33:05 AM] Brad: He needs to perform our contract. Real simple

[3/3/21, 11:33:25 AM] Brad: We will pick up the sizes of 10,40,40,10 now

[3/3/21, 11:33:49 AM] Brad: Nobody wants a bunch of XL gloves....

[3/3/21, 11:35:25 AM] Ms Li: Let do this: have them to match up for the missing numbers only for the 3 containers we have taken.

[3/3/21, 11:36:17 AM] Ms Li: And we will pay and pick more only when the have more full containers.

[3/3/21, 11:37:19 AM] Ms Li: Meanwhile, I will try to find us more on the ground gloves.

[3/3/21, 11:51:05 AM] Ms Li: Do you agree?

[3/3/21, 12:01:52 PM] Brad: Yes

[3/3/21, 12:01:55 PM] Brad: Do this

[3/3/21, 12:33:38 PM] Ms Li: Bradley, can you please send me back the contract for 1 million Hongray gloves, on the ground in China, \$10.5 per box. So we can arrange for inspection of the goods either tonight or tomorrow?

[3/3/21, 1:06:48 PM] Brad: Working on it

[3/3/21, 1:06:58 PM] Brad: Not ready yet.

[3/3/21, 1:09:16 PM] Ms Li: Asap please.

[3/3/21, 1:12:08 PM] Brad: Ms Li handle Joel now

[3/3/21, 1:12:29 PM] Brad: We need to pick up the 420,000 we left behind and the 870,000 owed

[3/3/21, 1:12:39 PM] Brad: All in the sizes of 10,40,40,10

[3/3/21, 1:12:59 PM] Brad: Joel claims he will bot comply  
[3/3/21, 1:13:01 PM] Brad: Not  
[3/3/21, 1:13:19 PM] Brad: You said the 420,000 was on the floor waiting???  
[3/3/21, 1:13:33 PM] Brad: Also, we need the 870,000. We paid for that weeks ago.  
[3/3/21, 1:13:57 PM] Ms Li: Let me handle it.  
[3/3/21, 1:14:21 PM] Brad: This is your issue as you got us into it. I am calling Alex right now to arrange truck to pick up the 8700 and 4200  
[3/3/21, 1:14:53 PM] Brad: 1.29 million gloves. As close to 10,40,40,10 as possible.  
[3/3/21, 2:47:41 PM] Ms Li: For the Australians, I need to show them the corporate guarantee before they issue the official offer  
[3/3/21, 2:47:41 PM] Ms Li: Can you arrange a zoom meeting with the CEO before the guarantee?  
[3/3/21, 2:47:41 PM] Ms Li: Sure  
[3/3/21, 2:47:41 PM] Ms Li: 5pm tomorrow EST  
[3/3/21, 8:07:03 PM] Ms Li: The Australian company wants to know about Rock Fintech, because we are not putting up for any deposit or LC or escrow. That's why the CEO wants a zoom meeting to know each other.  
[3/3/21, 8:07:43 PM] Ms Li: Can we confirm the meeting, tomorrow 5pm?  
[3/3/21, 8:08:40 PM] Ms Li: Bradley, where is the purchase agreement for Hongray gloves? Are you done reviewing it yet?  
[3/3/21, 8:12:11 PM] Ms Li: Joel is trying to get together all our missing numbers of the gloves and the rest of the 2 containers some time next week, so we can pick up everything in one day. Let's just wait a little bit.  
[3/3/21, 8:23:08 PM] Ms Li: This is a very good deal for you, you have people in China to inspect the goods, you have money there for gloves. So what are we waiting for here? I don't understand.  
[3/4/21, 12:08:00 AM] Ms Li: They cant do tom anymore - they can do 4.15pm EST on friday  
[3/4/21, 6:22:22 AM] Ms Li: I have an offer of two year contract with Hongray for the price of \$10.60 per box. I million boxes per month. For second year the price can be renegotiated. Direct with Hongray.  
[3/4/21, 6:51:51 AM] Tommy H. Kato: That's ridiculous price for 2 years  
[3/4/21, 6:52:02 AM] Tommy H. Kato: When does the first box arrive?  
[3/4/21, 7:29:29 AM] Ms Li: From April.  
[3/4/21, 8:31:11 AM] Brad: Hongray is repacking gloves of questionable quality. Been advised to stay away from that deal  
[3/4/21, 8:31:23 AM] Brad: Ms Li, find another opportunity  
[3/4/21, 8:32:01 AM] Brad: We had our team check it out.

[3/9/21, 11:21:20 AM] Ms Li: The offer is what they can do. No 1 million per month, no delivery immediately.

[3/9/21, 3:10:44 PM] Ms Li: Can we get the offer signed and stamped?

[3/9/21, 5:04:01 PM] Ms Li: Can you respond on the offers that I sent to you?

[3/9/21, 9:56:09 PM] Tommy H. Kato: This sounds good.

[3/10/21, 7:20:12 AM] Ms Li: Can we get the FCO signed and stamped today, while we prepare for the LC?

[3/10/21, 7:51:05 AM] Ms Li: We are given to the end of the day to get the FCO signed back to the seller.

[3/10/21, 7:53:50 AM] Ms Li: And for the on the ground deal in LA, are we taking it? I am having the hardest time in my life to communicate with you guys!

[3/10/21, 3:42:50 PM] Ms Li: Just a reminder, we have till the end of the day to sign and stamp the FCO and get back to the seller. Otherwise we may lose the the deal tomorrow.

[3/10/21, 3:44:12 PM] Ms Li: This message was deleted.

[3/10/21, 9:03:56 PM] Tommy H. Kato: What do we need to do for this deal?

[3/10/21, 9:04:17 PM] Tommy H. Kato: And you should go to Thailand. I will pay all your expenses to go there

[3/10/21, 9:04:44 PM] Ms Li: This is what we should do.

[3/10/21, 9:05:14 PM] Ms Li: No problem.

[3/11/21, 8:16:49 AM] Ms Li: Rock Fintech is asking whether the seller is trustworthy, or will they put it in the contract if they don't supply the goods on time the seller will pay 5% punishment ?

[3/11/21, 8:16:50 AM] Ms Li: This is for Biomadetch.

[3/11/21, 8:16:50 AM] Ms Li: Payment is LC, buyer is 100% protected as LC won't be released if no goods are loaded

[3/11/21, 8:16:50 AM] Ms Li: They just don't want to be dragged by the contract, and can't provide their customers gloves on time.

[3/11/21, 8:16:50 AM] Ms Li: Nobody puts 5% the normal trade is max 2% both side and the courts doesn't accept anything higher anyway.

[3/11/21, 8:16:50 AM] Ms Li: Both sides can put 2% penalty for non performance

[3/11/21, 8:18:58 AM] Ms Li: So this 2% penalty on both sides will be put in the sales agreement

[3/11/21, 10:02:37 AM] Tommy H. Kato: Bradley what are your thoughts?

[3/11/21, 1:55:48 PM] Ms Li: Anything new?

[3/11/21, 4:37:26 PM] Ms Li: This message was deleted.

[3/11/21, 4:39:33 PM] Ms Li: On Biomadetch, Can you just give me a simple answer yes, here is the signed Offer back; or no, we don't want to proceed, so I can tell my friend what to do? I can't take this all the time by you guys. Ask me for something and then just disappear with no following. It is not right. If this is how you guys do business, not with me. I am sorry.

[3/11/21, 10:14:37 PM] Ms Li: Can I get my commission paid for the 3 containers, please?

[3/12/21, 4:40:20 AM] Brad: Yes, of course.

[3/12/21, 9:14:18 AM] Ms Li: I will send you invoice later today.

[3/12/21, 11:46:55 AM] Ms Li: I have the seller to lower the price down to \$7.8 for Biomadetch.

[3/12/21, 12:05:19 PM] Brad: When can we get them?

[3/12/21, 12:12:09 PM] Ms Li: 15 days after LC issued.

[3/12/21, 12:15:21 PM] Ms Li: With 2% performance bond.

[3/12/21, 2:08:04 PM] Ms Li: We have wasted a lot of time here and there. 2 weeks is not too long, once we get the offers signed and returned, seller will send us the contract, both sign it, we issue the LC, within 15 days, we will have our first shipment on the way.

[3/12/21, 2:08:31 PM] Brad: If it's real

[3/12/21, 2:08:47 PM] Brad: We are very careful Ms Li

[3/12/21, 2:09:40 PM] Ms Li: If they are not real, how dare they put up 2% performance bond?

[3/12/21, 2:17:13 PM] Ms Li: Let me ask you, what do you need from them to proof that they are real?

[3/12/21, 2:43:04 PM] Ms Li: This message was deleted.

[3/12/21, 3:03:38 PM] Ms Li: This message was deleted.

[3/12/21, 3:04:19 PM] Ms Li: My suggestion: we get the FCO signed, meanwhile we ask the seller to provide more evidence to show their legitimacy. Then we sign the contract, we issue LC.
